General Dog Information

Health:
To insure the good health of your new pet, a free health examination will be provided courtesy of the veterinary offices listed on our certificate. Any prescribed medications or treatments will be at owner's expense. This certificate must be used within 14 days of the adoption.

Housebreaking:
The shelter cannot guarantee that any dog that you adopt will be housebroken, and even dogs that are housebroken are likely to have a few accidents in the first few days. It takes time for an animal to adjust to a new home. Literature will be available at the time of adoption.

Behavior:
Chewing/Digging: Without proper training and attention, many dogs can become destructive to furniture, property and other personal property.
Dog Training is essential to help prevent potential problems with your new dog and we offer a gift certificate for a discount on dog training at Napa Valley Dog Training Club.
