The following are corrections to the Napa Pipe Draft EIR appendices

1. Appendix C/D (Tenants List/Population, Employment and Housing):
 - a. The Memo regarding the Population Employment and Housing analysis follows the Napa Pipe site tenants list in Appendix C on the compact disk. It is found in the correct location on the web site
2. Appendix I (Hydrology and Water Quality):
 - a. The Water Supply Assessment (WSA) included on the compact disk and cited in the Utilities chapter of the Draft EIR is the September 17, 2009 Administrative Review Draft. The October 15, 2009, Final WSA has been posted on the Napa Pipe web site.
 - b. The Water and Wastewater Feasibility Study on the compact disk is the August 2009 version. The September 2009 version has been posted on the Napa Pipe web site.
3. Appendix J (Cultural):
 - a. The "Historical Evaluation of the Buildings on the Napa Pipe Property" Origer study on the compact disk is the August 27, 2008 version. The revised version dated, September 22, 2008, has been posted on the Napa Pipe web site.
 - b. The "A Cultural Resources Survey of the Napa Pipe Property" Origer study (October 17, 2007) has been added to Appendix J on the Napa pipe web site. The compact disk does not include this report.

Additional corrections or information will be added as applicable.
