

A Tradition of Stewardship
A Commitment to Service

Join us on August 22nd to re-vision the Napa County Climate Action Plan

When: Thursday, August 22nd, 5:30pm to 7:30pm

Where: Napa County Library Community Room

The Napa County Department of Planning, Building, and Environmental Services is interested in developing a new approach to reducing green house gas emissions in unincorporated Napa County and invites you to an evening roundtable discussion on this topic.

Please plan to attend if you would like to help re-vision the County's Climate Action Plan from December 2012.

Please drop anytime between 5:30 and 7:30 and share your ideas!

Focus Groups and Stakeholder Interviews

The County is soliciting input from local agricultural, business, sustainability, and community groups. If you are not able to attend the meeting on July 23, and are interested in participating, please contact Kirsty Shelton at (707) 299-1377 or Kirsty.Shelton@countyofnapa.org to be included in this effort or for any questions.
