Gary D. Layman, CASp
Chief Building Official

Mr. Layman is a ICC certified building official who has performed accessibility surveys and inspections in California and Nevada since 1987. He has been in construction for over 35 years in building inspections/plan review since 1987, and, has been California licensed contractor since 1995. He holds a Bachelor's

Degree in Construction Management and a Master's in Public Administration. He has represented numerous clients in ADA accessibility litigation as an expert in both state and federal complaints. Mr. Layman is a Certified Accessibility Specialist (CASp) who has performed more than 1,000 accessibility evaluations of both Title II & Title III facilities. He currently serves as the Past President and Director of Professional Practice Standards for the Certified Accessibility Specialist Institute (CASI) and Chair of the CALBO Access Committee.

Cris C. Vaughan, CASp
ADA Attorney at Law

Mr. Vaughan is an attorney admitted to practice before a number of different United States District Courts in several states as well as the Ninth Circuit Court of Appeal in San Francisco and

the United States Supreme Court. He has represented hundreds of clients in ADA accessibility lawsuits in both state and federal court since 2000. His clients have included private and public entity plaintiffs and defendants. Mr. Vaughan is a Certified Accessibility Specialist (CASp) who has performed more than 500 accessibility evaluations of both public accommodations and government facilities over the last 10 years. He currently serves as Past President for the Certified Accessibility Specialist Institute (CASI).
