

Public Safety Strategic Planning Meeting
September 28, 2018

The aspirations of the group were: Law & Justice;

Solutions included: Local hubs for social & health services in each community (like the one in American Canyon); Authorize jail to begin medication protocol for mentally ill; Up valley services "hub" center/mobile center for comprehensive services - seniors, health, bilingual.

Aspiration: Law & Justice		
Specific Challenge or Problem	Evidence this Challenge or Problem Exists	Impact of the Challenge or Problem on You?
Appropriate programming in our custody facilities - behavior and mental health	People recycling through jail established enough work for full outreach worker	Costly use of resources
Providing services in the rural areas of the county (social services, child protective services, mental health, etc.) including response times, transportation, medical assistance	Underserved populations Up valley communities/rural communities may not seek services and under utilize services	Health/social outcomes increase costs
Service calls where better in home support services would deviate the necessity	Repeat calls to some residents-drain on resources but no where to take them	Costly repeat services that can't be utilized elsewhere
Lack of senior services in some areas - senior center in each community	Impossible for Up Valley seniors to access services	

Red indicates top vote getter(s).

Solution			
Actions to Solve	Who Needs to Be Involved	Pros Cons	
Local hubs for social & health services in each community (like the one in American Canyon)	Cities	Better services + better access; quicker response-more preventative	Staffing & space/resource costs
Explore community Para medicine program to increase access to services in more rural communities	County	One type of way to local hub increase public safety	Same as #1
Authorize jail to begin medication protocol for mentally ill	Seniors/general pubic	Reduced utilization of jail beds, inmate safety, staff safety	Cost of staff intensive cost need
"Laura's Law" - community assisted out patient treatment	Public & private services providers	Better safety outcome. Community based treatment more cost effective	Cost
Up Valley services "hub" center/mobile center for comprehensive services - seniors, health, bilingual	Fire districts/ambulance	Same as #1	Same as #1
	Non-profits		
	Schools
