Funding & Acknowledgment
All grant monies for this program derive from the County’s Transient Occupancy Tax (TOT) that is mostly tourism generated. The Napa County Board of Supervisors designates a percentage of the TOT for arts and culture.

The grant program is not large enough to support every worthy proposal and organization. This grant process is designed to provide a fair opportunity for major institutions, grassroots, and volunteer organizations to apply.
All grantees shall acknowledge Napa County as a funding source and include the County seal, in accordance with the Napa County Graphic Standards manual, where the grantee's logo is used. This is required for any related articles, news releases, playbills, or other publicity materials for the organizations funded in this grant program. All such media and communication materials must include the statement: “This organization is funded, in part, by the Napa County Board of Supervisors.”

**Funding Categories**

Applicants must select one of the two main categories, which matches their audience make-up. Applicants will then submit a grant request for one of four subcategories. The maximum award amount per organization will be based on a 5-year average of annual operating budgets (see Maximum Grant Requests by Category on page 4 for more details). Applicants may also submit an additional grant request under Leadership & Professional Development.

**Main Category 1: Tourism Generating Arts and Culture Organization**

This category is for organizations that earn at least 20 percent of their income from visitors or generate 20 percent of their patronage/attendance from zip codes outside of Napa County and can submit data that demonstrates this. Examples of data to be submitted include: ticket sales, membership data, audience survey or other metrics or documents.

Eligibility & Evaluation Guidelines

Local Nonprofits: Organizations submitting an application must be a Napa County-based 501(c)(3) nonprofit organization in operation for at least 12 consecutive months with a primary purpose of arts, culture and/or heritage programming as demonstrated by their mission, vision and budget of the organization.

Fiscal Sponsors: Use of a fiscal sponsor is only allowed when submitting a request for Capacity Building, Special Programs & Projects, or Capital Improvement. An applicant without nonprofit status may use a fiscal sponsor that has nonprofit status, federal 501(c)(3) designation, and which will provide the fiscal and administrative services needed to complete the grant project. If a grant is awarded, the fiscal sponsor becomes the legal contractor. The fiscal sponsor shall not receive administration or other fees from the County grant funds.

Multiple Grant Requests & Collaborative Grants: Each organization must select one of the two main categories and may then apply for one of four subcategories within that main category plus one additional application request for Leadership & Professional Development. Collaborative requests are not available at this time.

Maximum Grant Requests: Organizations cannot ask for more than their allotted amount as delineated on page 4, or their grant requests WILL NOT BE considered. For applicants utilizing a fiscal sponsor, the allotted amount is based on the organization’s independent operating budget, not their fiscal sponsor’s operating budget.

Grant Application Scores: To be considered for the Committee’s recommendation for funding, an application must score a combined minimum of 50 percent of total possible points.

Grant Acceptance: Once an organization receives notification of a grant award, the contractual agreement must be signed and returned to the County within 10 business days or the award may be withdrawn. Organizations must be responsive to all County requests, in a timely manner, with regards to the grant applications and awards.

Partial Grant Awards: Grant awards may not be fully funded. If an organization is recommended for partial funding, the applicant must demonstrate the ability to complete the requested goals.
