

RESPONSIBLE BEVERAGE SERVICE TRAINING

The Napa Valley, hosts a variety of special events throughout the year. As alcohol service is often a component at special events, careful planning and training of volunteers and staff is needed to ensure community events are enjoyable, profitable and safe. **RBS** is a prevention strategy used to help reduce liability while promoting safety and complying with applicable local and state laws.

Responsible Beverage Service (RBS) training protects your business and your community. Ensure alcohol is served and sold responsibly in your licensed establishment or community event by attending our free 2-3 hour voluntary prevention and education training. RBS is designed for retail licensees, their employees, volunteers and the general public who serve alcoholic beverages at special events.
