MEMORANDUM

To: Napa County EMS System	From: Zita Konik, MD, EMS Medical Director Brian Henricksen, EMS Administrator	
Date: March 21, 2019	Re: Multi-Casualty Incident Management Plan Public Comment	

Over the past three months, the EMS Agency and system partners have been working on an update to Napa County Multi-Casualty Incident Management Plan.

This 14-day public comment period is to allow for feedback on the format, content, and workflow of the plan. The draft copy of the MCI Plan and a Public Comment Form can be found on the EMS Agency's website at www.countyofnapa.org/ems.

Please work with your agency's EMS coordinator to capture your feedback onto the EMS Agency Public Comment Form. Have all comments back to the EMS Agency by close of business, Friday, April 5, 2019.

If you have any questions about these changes, please contact your EMS representative or the EMS Agency directly.
