FOR IMMEDIATE RELEASE
April 2, 2019

Devlin Road Extension, Segment E,
Napa County Project RDS 11-06

Beginning in the month of April 2019 through the month of February 2020, Ghilotti Construction Company will build a new 1,100 feet of three-lane road with a 92 foot clear span bridge crossing Fagan Creek and a Class I multi-use path for pedestrian and bicycle traffic. The Devlin Road Segment E and Bridge over Fagan Creek Project will link Airpark Road and Tower Road. The project is funded by Traffic Mitigation Fee and CalRecycle Tire Derived Aggregate Grant.

During construction the public may experience additional construction traffic on Devlin Road, Airport Boulevard, Tower Road, Highway 12 and Highway 29. Construction hours are primarily from 7:00AM to 5:00PM. Short term single lane closures along Tower Road may be necessary to accomplish required utility and paving work.

Information about the progress of the construction will be posted monthly on the project web site: <https://www.countyofnapa.org/1611/Devlin-Road-Segment-E-Project-RDS-11-06>

Please contact Graham Wadsworth of this office by phone at (707) 259-8331, or by email at Graham.Wadsworth@countyofnapa.org with any questions or comments.

The Board of Supervisors and staff of Napa County are dedicated to preserving and sustaining Napa County for present and future generations as a community with generous open space, a thriving agricultural industry and a quality human and natural environment.
