Sec. 10.030. Processing Applications or Permits; Fees

Sec. 10.010. Imposition of Fees.

Fees adopted by resolution of the Board of Supervisors shall be collected by the Department indicated and deposited with the Treasurer-Tax Collector of Napa County. The fees shall be credited to a revenue account of the Department that collected the fee unless otherwise indicated. The amount of the prescribed fee does not include the fee for any environmental impact assessment required in connection therewith. No part of any fee shall be refundable, unless otherwise indicated. Under no circumstances shall a refund be processed for an amount less than \$15.00 or more than one year after fee payment.

Sec. 10.020. Waiver of Fees.

- (a) Unless otherwise specified, the County officer or employee responsible for collecting any fee established herein, or on appeal the County Executive Officer, may waive said fee if the following findings are made:
- (1) The waiver of the fee will advance a public policy; and
 - (2) The waiver of the fee is in the public interest and will promote a public benefit; and
 - (3) The applicant is a non-profit organization; and

- (4) The non-profit organization approved for a temporary event fee waiver or special event on roadways/road closure fee waiver has provided written assurance that a designated percentage of the proceeds of said event will be donated for the public benefit of the citizens of Napa County; and
- (5) The fee is not for a building, public works, or other permit whose user fee has been established to recover the full cost of service, according to County policy with the exception of roadways/road closure permits.
- (b) Each department shall keep and maintain records of the nature, number and dollar amount of fees waived by the various County departments, and shall quarterly submit copies of those records to the County Executive Officer.
- (c) The County Executive Officer shall prepare annual reports regarding the nature, number and dollar amount of fees waived by the various County departments and shall present those reports to the Board of Supervisors for review.
- (d) The Planning, Building, and Environmental Services Director shall reduce fees in the following amounts for all building permits submitted after October 7, 2017, for structures damaged or destroyed in the 2017 Napa Fire Complex:

 - (5) Imaging Plan Retention by 100%; and
 - (6) Permit Issuance by 100%; and

Only the initial replacement structure (defined as up to 125% of the pre-fire legally established livable space) shall qualify for a fee refund. Subsequent applications to modify, expand, or alter the initial replacement structure, after the replacement building permit has been issued, shall not have their fees reduced under these provisions.

For those permit applications submitted prior to the adoption of this Policy, the PBES Director shall issue refunds to the payee consistent with the above fee reductions.

Fee reductions shall expire on December 31, 2022. No permit applications submitted after the deadline shall be entitled to a fee reduction.
