** Additional Notes **
- ** Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- **Local Ordinance:** Always check on whether additional local rules apply.
- **Deadlines:** Due to the election being held early in the year, the deadline for the first pre-election statement for calendar year 2020 is earlier than the deadline for the semi-annual statement for calendar year 2019. A candidate/committee active in both calendar years may file the 2019 statement on January 23, 2020.
- **Deadline Extensions:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to the deadline for a Form 497 due the weekend before the election, or to any Form 496. Such reports must be filed within 24 hours regardless of the day of the week. Statements filed after the deadline are subject to a $10 per day late fine.
- **Method of Delivery:** All paper filings may be filed by first class mail unless otherwise noted. A paper copy of a report may not be required if a local agency requires online filing pursuant to a local ordinance.
- **Form 501:** All candidates must file Form 501 (Candidate Intention Statement) before soliciting/receiving contributions.
- **Form 460:** Candidates who have raised/spent $2,000 or more file the Form 460. The Form 410 (Statement of Organization) must also be filed once $2,000 or more has been raised/spent.
- **Form 470 (2019):** Non-incumbent candidates who raised or spent less than $2,000 during 2019 and did not have an open committee must file Form 470 by January 31, 2020.
- **Form 470 (2020):** Candidates who do not raise or spend $2,000 or more (or anticipate raising or spending $2,000 or more) in 2020 and do not have an open committee may file Form 470 on or before January 23, 2020. If, later during the calendar year, a campaign committee must be opened, a Form 470 Supplement and a Form 410 must be filed.
- **After the Election:** Reporting requirements will depend on whether the candidate is successful and whether a campaign committee is open. See Campaign Disclosure Manual 2 for additional information.
- **Public Documents:** All forms are public documents. Campaign manuals and instructional materials are available at www.fppc.ca.gov. Click on Learn, then Campaign Rules.
- **Independent Expenditures:** Committees making independent expenditures totaling $1,000 or more to support or oppose other candidates or ballot measures also file:  
  - 462: This form must be e-mailed to the FPPC within 10 days.  
  - 496: This form is due within 24 hours if made in the 90-day, 24-hour reporting period of the candidate’s or measure’s election. Refer to the applicable filing schedule. Form 496 is filed with the filing officer in the jurisdiction of the affected candidate or measure.  
- **After the Election:** Reporting requirements will depend on whether the candidate is successful and whether a campaign committee is open. See Campaign Disclosure Manual 2 for additional information.
- **Public Documents:** All statements are public documents.

The Signature-In-Lieu petition may be obtained from the county elections official beginning September 12, 2019. Ballot Designation

The Ballot Designation is a word, or a group of not more than three (3) words, which will appear on the ballot under the candidate’s name, designating the current principal profession, vocation or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

Election Code Section 13107, states the following:

a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:

1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of the Election Code.

b) Neither the Secretary of State nor any other elections official shall accept a designation of which any of the following would be true:

1) It would mislead the voter.

2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

3) It abbreviates the word "retired" or places it following any word or words which it modifies.

4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

5) It uses the name of any political party, whether or not it has qualified for the ballot.

6) It uses a word or words referring to a racial, religious, or ethnic group.

7) It refers to any activity prohibited by law.
c) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

(2) In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate's name.

Elections Code 13107.5 (in regards to using “community volunteer”) states the following:

a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation.

(2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Acceptable Designations

- Elected officials may use his/her elected title even if that title exceeds the three-word limitation, example “Assessor-Recorder-County Clerk.”

- If an elected official opts to include another profession, vocation, or occupation with the elective office, the designation must satisfy the three-word limitation, example “Legislator/Businessman,” “Physician/Senator.”

- A principal profession, vocation, or occupation is the primary job or work one does which is the means of livelihood or production of income, as opposed to a hobby. Some persons may work at more than one profession or vocation. Exceptions may apply for persons retired or unemployed by choice or by circumstance.

- A candidate may use either his or her current principal profession or one that he or she has held within the last calendar year.

- Organization names must be replaced with generic references. For example, “President, Apple Computers” should be replaced with “President, Computer Company.”

- “Community Volunteer” shall be a valid principal vocation if not in violation of the restrictions set forth above.
Unacceptable Designations

- A political party central committee designation is not a principal profession nor is it an elected county or state office.
- Multiple designations are usually acceptable, provided that the three-word limitation is met. An impermissible designation would be “Member of the Senate/Rancher.”
- A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation, or occupation designation.
- Ballot designations suggesting an evaluation of a candidate such as: “Best _____,” “Prominent _______,” “Advocate,” “Anti.” Anything conveying a philosophy, or words connoting a status such as “parent,” “taxpayer,” “citizen,” “patriot,” “renter,” and “presidential appointee.”
- Commercial or proper names such as “IBM president,” “Director, Health Services,” “Sierra Club Secretary.” Generic descriptions of specific jobs should be substituted; for example, “Computer Corporation President,” “State Agency Director,” or “Nonprofit Organization Secretary.”
- “Democratic Party Chair,” “Republican Central Committee Member,” “Latino Notary,” “Mormon Physician” and “Caucasian Policeman” are all examples of impermissible designations.

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters. The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

Campaign Disclosure Requirements

The purpose of California’s Political Reform Act (Act) is to ensure that disclosure of political payments is accurate, timely, and made in a transparent manner. Clear and accurate disclosure is essential for making voters aware of who is paying for political messages so they may evaluate the content and make informed decisions when voting.

Examples of required information required on campaign statements:

- Contributions received (includes monetary and non-monetary contributions loans received and enforceable promises).
- Expenditures made (including loans).
- Unpaid bills.
- Any miscellaneous increases to cash, such as bank interest.
- Detailed itemization for contributions received from a single source totaling $100 or more in a calendar year.
- Expenditures of $100 or more.
- Accrued expenses of $100 or more.

Candidates should familiarize themselves thoroughly with the campaign disclosure information manuals and carefully note filing deadlines. Financial forms and manuals are available for download from the F.P.P.C. website www.fppc.ca.gov.

Campaign Disclosure Form Explanations

Candidate Intention Form 501 Requirements

Who Files:
A candidate for state or local office must file this form for each election, including reelection to the same office. Exception: Candidates for county central committees that do not raise or spend $2,000 or more in a calendar year.

When to File:
File the Form 501 before you solicit or receive any contributions or before you make expenditures from personal funds on behalf of your candidacy. This form is considered filed the date it is postmarked or hand delivered. Ensure campaign deadlines are met. Go to www.fppc.ca.gov for most campaign disclosure filing schedules or check with your local filing officer.

Where to file:

Sacramento, CA 95814

Officeholder and Candidate Campaign Statement 470 (Short Form)

Who Uses Form 470:
Form 470 is for use by officeholders and candidates who:

- do not have a controlled committee;
- do not anticipate receiving contributions totaling $2,000 or more during the calendar year; and
- do not anticipate spending $2,000 or more during the calendar year.

Officeholders and candidates who have a controlled committee or who have raised or spent $2,000, file the Recipient Committee Statement – Form 460.

Exceptions:
The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or Form 460):

- candidates for county central committee offices that do not raise or spend $2,000 or more in a calendar year;
- officeholders whose salaries are less than $200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and
- judges who do not receive contributions and who make personal expenditures of less than $1,000 or more in non-election years.

Period Covered:
The period covered is always the calendar year (January 1 through December 31).

When to File:
If the Form 470 is filed in connection with an election, or on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need to be filed for that calendar year as long as total contributions received remain less than $2,000 and total expenditures made remain less than $2,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon. The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first pre-election statement in connection with an election, covering the year of the election. If, after filing Form 470, receipts or expenditures reach $2,000 or more, see the attached Form 470 Supplement for important reporting requirements.

$2,000 Threshold:
To determine if $2,000 has been raised or spent, or will be raised or spent, the candidate’s personal funds for the filing fee or statement of qualifications are excluded. A campaign bank account must be established if the candidate receives contributions from other persons.

Where to File:
Local Elections:

- Elected officers and candidates for local multicounty agencies file an original and one copy with the elections official for the county with the largest number of registered voters in the district and one copy with the candidate’s county of domicile.
- Elected county officeholders and candidates for county offices file an original and one copy with the elections official for that county.
- Elected city officeholders and candidates for city offices file an original and one copy with the city clerk.
Statement of Organization Form 410

Who Files

**Recipient Committee**: Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling $2,000 or more in a calendar year to spend on California elections. They must register with the Secretary of State and report all receipts and expenditures. “Contributions” include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

**Candidate**: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the $2,000 threshold.

When to file:

File this form within 10 days of receiving $2,000 in contributions. Include a $50 payment made payable to the Secretary of State. Thereafter, the $50 fee is due annually no later than January 15. In addition to the $50 fee, a penalty of $150 may be assessed if payment is late.

For early submissions, mark the “not yet qualified” box. The $50 fee is requested at this time but is not legally required until the committee qualification threshold has been met.

Where to File

All Committees: Form 410 with original ink signature(s)
Secretary of State Political Reform Division
1500 11th Street, Rm 495
Sacramento, CA 95814

**Primarily Formed Candidate/Officeholder Committees**: A person, entity, or organization that receives contributions totaling $2,000 or more during a calendar year to support or oppose a single candidate or officeholder, or two or more candidates or officeholders who are being voted upon in the same city, county, or multi-county election. This type of committee is not controlled by the candidate(s) or officeholder(s).

**General Purpose Committees**: A person, entity, or organization that receives contributions totaling $2,000 or more during a calendar year to support or oppose various candidates and measures (e.g., political parties, political action committees).

Questions concerning local limits should be addressed to election officials in the local jurisdiction.

Where to File:
In general, state committees file with the Secretary of State and local committees file with the filing officer of the local jurisdiction.

Frequently Asked Questions

Q. What are your office hours?
   A. Office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday, excluding holidays. We remain open during the lunch hour.

Q. What if I change my mind about being a candidate after filing nomination papers?
   A. Once a candidate has filed a Declaration of Candidacy and the filing period has come to an end, he or she is not permitted to officially withdraw, and the name of the candidate will appear on the ballot. No candidate nominated at any Primary Election may withdraw as a candidate at the ensuing General Election (except as permitted by statute).

Q. What happens if some of the signatures I obtain on my nomination papers are not registered voters, or do not live within the district I seek to represent?
   A. The Election Division must certify the signatures on nomination papers. If during the verification process a signature is found to be invalid it will be marked as such. The Election Staff will continue checking all remaining signatures until the requirement is fulfilled. If you have an inadequate amount of qualified signatures once all signatures have been checked, you will be given the opportunity to collect supplemental signatures.
   If you wait until the last day to file your sponsors’ signatures, and if for any reason signatures are insufficient, you will not qualify to be a candidate. If you file early, there will be time to verify the submitted signatures and notify you of any insufficiencies, and you may have the opportunity to submit supplemental signatures before the filing deadline.

Q. May I make any changes to the wording/spelling or request additional translations to my Statement of Qualification after submission?
   A. No, you may not. Check your Statement of Qualifications carefully before submitting and be sure to request all translations at the time of filing the statement.

Q. If I submit a Statement of Qualifications and I change my mind may I withdraw the statement?
   A. The Statement of Qualifications may be withdrawn at the candidate’s request no later than close of business of the next working day after the close of the nomination period.

Q. May my spouse, friend, or campaign manager pick up nomination papers for me?
   A. Yes, but only if the candidate provides a signed letter stating specific authorization.

Q. May my spouse, friend or campaign manager file my nomination documents or can I mail them?
   A. Election Law does not specifically prohibit another person from filing nomination papers for a candidate; however, candidates are urged to file in person. The oath, which is part of the Declaration of Candidacy, must be administered by an election official, or a notary public. It is much easier for a candidate to file in person and have the oath administered at the time he or she files. Also, if through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person.

Q. I am unable to complete and file my campaign disclosure statement by the filing deadline, may I obtain an extension?
   A. No. There is no provision in the Political Reform Act, which permits any filing officer to extend a filing deadline. Statements that are filed late are subject to a fine of $10.00 per day until the statement is filed.
Voter Registration & Election Data Files

The California Administrative Code, Title 2, Division 7, Article 1, Section 19003, specifies permissible uses for any data obtained from voter registration files. Permissible usage includes direct election campaigning, surveys in conjunction with an election campaign, and distribution of information of a political nature. Data obtained from voter registration or election files may not be sold, leased, loaned, reproduced, or possession thereof relinquished without receiving written authorization to do so from the Secretary of State or the Registrar of Voters. Prohibited usage included commercial purposes and solicitations of contributions or services for any purpose other than on behalf of a candidate or political party, or in support of or opposition to a ballot measure.

Napa County is an all Vote by Mail County. Registered voter will begin receiving ballots 29 days before Election Day. Voters who register in Napa County for the first time after that date and up to 15 days prior to Election Day will be sent a ballot via mail. Voters who register after that date will have to go to the Election Division Office or a Vote Center to receive a ballot. Voters will be able to register and receive a ballot up to Election Day.

Walking Lists (Indexes)

A walking list is a physical report of registered voters by precinct. Within each list, the voters are listed by precinct, street name and house number. The list also contains political affiliation, phone number (if available) and vote by mail status (if applicable).

Prior to the production of any walking list, an “Application to Purchase or View Voter Registration Information” must be submitted by the applicant and approved by the Election Division.

Voter Files

As with paper walking lists, electronic voter files are available for election purposes only. In order to purchase paper walking lists or electronic voter files you must complete an application, which provides us with very explicit information as to the usage of the data. A selection of various voter and district information can be produced. Please ask the Election Division if there is a specific list that you are interested in. Time to produce the data depends on Election Office schedule but can usually be produced within 1 to 3 working days.
