Exhibit F

## Recommended Projects Napa County Airport

### North & South Apron Areas

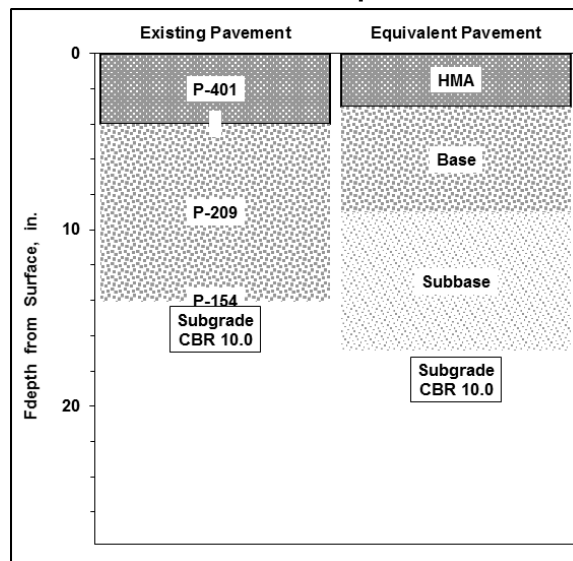

#### Existing Pavement Section

4.5 inch asphalt surface layer  
 10 inch aggregate base layer  
 Subgrade CBR 3

#### Equivalent Pavement Section

3 inch asphalt surface layer  
 6 inch aggregate base layer  
 9 inch subbase layer  
 Subgrade CBR 3

### North Ramp

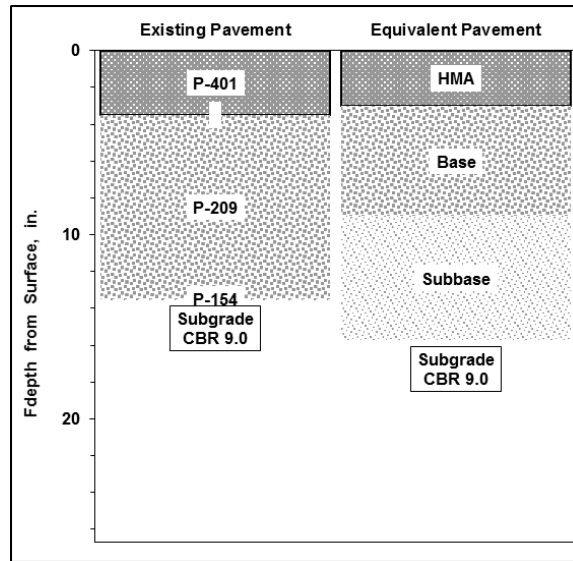

#### Existing Pavement Section

4 inch asphalt surface layer  
 10 inch aggregate base layer  
 Subgrade CBR 10

#### Equivalent Pavement Section

3 inch asphalt surface layer  
 6 inch aggregate base layer  
 7.8 inch subbase layer  
 Subgrade CBR 10

### South Ramp

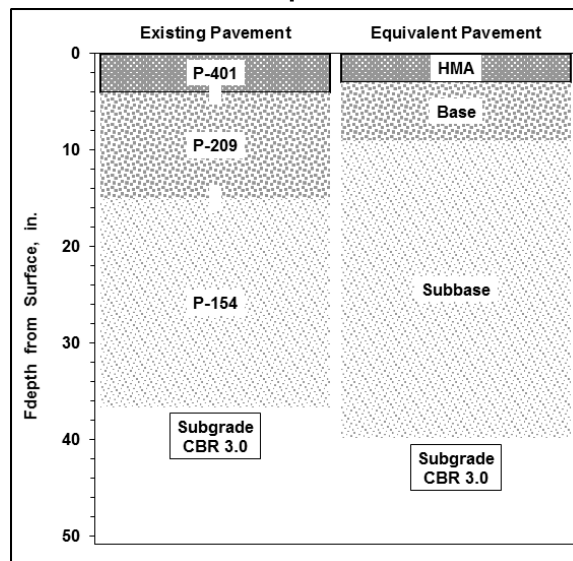

#### Existing Pavement Section

3.5 inch asphalt surface layer  
 10 inch aggregate base layer  
 Subgrade CBR 9

#### Equivalent Pavement Section

3 inch asphalt surface layer  
 6 inch aggregate base layer  
 6.7 inch subbase layer  
 Subgrade CBR 9

### North-South Apron Connector

#### Existing Pavement Section

4 inch asphalt surface layer  
 11 inch aggregate base layer  
 15 inch lime-treated subgrade  
 Subgrade CBR 3

#### Equivalent Pavement Section

3 inch asphalt surface layer  
 6 inch aggregate base layer  
 30.8 inch subbase layer  
 Subgrade CBR 3
