ROADS PROJECTS FOR THE 2020 CONSTRUCTION SEASON

Ladies and Gentlemen:

The Napa County Public Works Department has several road improvement projects scheduled for construction and completion in 2020. The projects listed in the attachment 'A' on the next page are in various stages of development; therefore, at this time, we do not have the specific construction schedule set for each project. However, we want to let you know so you can plan ahead and stay informed.

To stay apprised of the construction schedules:

- County website: visit www.countyofnapa.org/2620/2017-Storm-Damage-Repairs-at-Dry-Creek-M
- Subscribe to the daily News summary or the County newsletter at www.countyofnapa.org
- Nixle is a community information service provider, built exclusively to provide secure and reliable communications. Napa County Public Works is a participating agency, along with the Sheriff's Office, the California Highway Patrol, and several local cities' police and fire departments, Representatives from each agency are able to provide information to community members who have chosen to receive messages from each agency. Messages are sent out as text messages and emails. You can have Nixle updates sent to your e-mail or mobile device by visiting www.nixle.com and subscribing to notifications from Napa County Public Works.

Thank you for your attention to this message. We would appreciate hearing from you if you have any special events planned for this coming Spring/Summer season, or any special access needs for your property.

Please contact Dewey Phan at (707) 258-8279 (Dewey.Phan@countyofnapa.org) or Mallika Ramachandran at (707) 259-8194 (Mallika.Ramachandran@countyofnapa.org) if you have questions or need additional information.

Sincerely yours,

STEVEN E. LEDERER,
Director of Public Works
