COMMUNITY MITIGATION ACTIONS

Social Distancing

- Prevention of exposure for high risk groups
 - **Health Officer Order** and State Directive - **Visitor limitations at residential care facilities**
 - CDPH Directive: Avoid gatherings of >10
 - CDPH Directive: Persons ≥ 65 or with medical conditions isolate at home

Cancellation of Large Events

- Large events
 - CDPH Directive: Avoid gatherings of >250 and keep social distancing strategies (separation of 6 feet) for smaller sizes
 - CDPH Directive: Social distancing for theme parks, theaters and casinos
 - **Health Officer Order to limit gatherings to <50, with social distancing requirements**

School Dismissals

- School dismissals
 - Reactive dismissals (school self-closes)

LAB TESTING ISSUES

Not enough test kits

Defective test kits

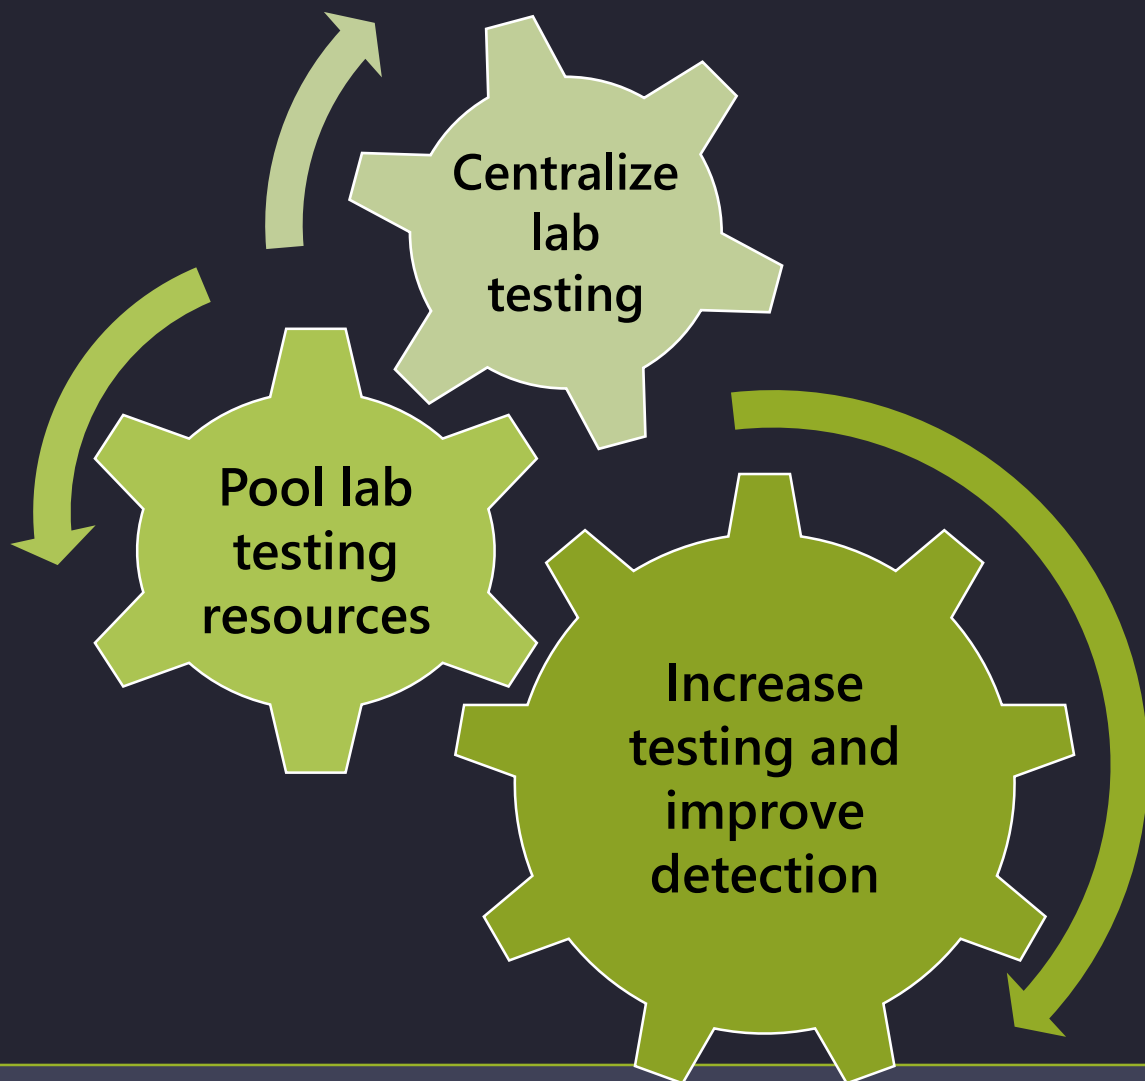

Infection control requirements (mask, gloves, gown, eyeshield)

Not enough swabs and viral transport tubes

Need for a single isolation room

LAB TESTING

- Drive through specimen collection
- Minimizes risk to healthcare workers
- Preserves personal protective equipment
- Increases testing
- Enables pooling of lab testing resources
