

# COVID-19 Testing

IN NAPA COUNTY

COVID-19 Testing is **recommended for ALL** Napa County residents.

Repeat testing is now available and recommended **every 14 days** for those with exposure to the community or to other households.

Schedule an appointment **NOW** online at **[countyofnapa.org/test](https://countyofnapa.org/test)**.

If you **need assistance** or need to **register a minor** for testing, please call **(707) 253-4540** to schedule your appointment (bilingual staff available).

Testing is a key data point for the State of California and general public participation is encouraged.
