

Modified Adoption Process During COVID-19

As we officially restart our Adoption Program please note that our procedures have changed to ensure we are following the County's shelter in place orders. These changes will be in effect until further notice.

- Meet and Greets and Adoptions will be by appointment only.
- NCAS is not open for walk ins and public viewing of the animals.
- Check out our website at: <https://www.countyofnapa.org/1025/Pet-Adoptions> for available animals.
- Our animals can also be found on [Petfinder](#) and [Adopt a Pet](#)
- Once you find an animal of interest please call us at **707-253-4382** so we can schedule a phone interview and start the process.
- We will still be verifying landlord approval. It will help to have contact information for Landlord, leasing office, etc. readily available.
- For dog adoptions, resident dog will need to meet shelter dog.
- Adoptions are first come, first approved.
- We ask that potential adopters scheduled to come to NCAS to finalize adoptions and pick up animals wear a face mask and follow physical distancing protocols of 6 feet.
- If at any time you feel sick and already had an appointment scheduled please contact us at **707-253-4382** so we can reschedule if necessary but **do not** come to the shelter.
- Thank you for your cooperation and understanding!
