APPLICATION FOR WATER/SEWER SERVICE – cont'd.

Connection Conditions:

1. For connections, an inspection fee of \$100 for each connection requested is due before connection to your parcel can be established. The applicant must contact the District representative at (707) 253-4351 to make arrangements to have the work inspected prior to backfill.
2. The water meter will be set by a District representative as close to the date requested as possible. Inspection will occur after applicant has connected to the meter. Water charges will commence on the day the meter is set.
3. Property owner is responsible for sewer connection. District staff will identify location of the lateral, and will inspect the connection to the lateral prior to backfill. Sewer service will not begin until a certificate of occupancy has been issued by the Napa County Planning, Building, and Environmental Services Department.
