Plans, Special Provisions (excluding State Standard Specifications and other documents included by reference), Proposal Forms and Contract Forms may be obtained by prospective bidders to those licensed by the State of California for the type of work involved electronically at said office or at the project website.

Project Requirements

Permits, funding agreements, and additional information

All project permits and funding information, including grant agreements, can be found on the CD enclosed in the back of the specifications on physical copies or as part of the electronic package. Contractor shall be responsible to review and comply with all requirements outlined in these documents.

Registered Contractors and Subcontractors

Pursuant to 1771.1 of the Labor Code, a contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Prevailing Wage Requirements

Pursuant to Sections 1770, et. seq., of the California Labor Code, the contractor and all subcontractors shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of such prevailing rate of per diem wages are on file at the Napa County Department of Public Works where copies will be made available to any interested party on request. These rate determinations may also be found on the State of California Department of Industrial Relations' website at: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm> and as an attachment to the Special Provisions. Contractors and subcontractors shall also submit certified payroll records, employ apprentices, and comply with working hour conditions as required by the Labor Code.

No Debarment or Suspension

The contractor shall not be debarred or suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, "Debarment and Suspension." Or on the USEPA's List of Violating Facilities. (40 CFR, Part 31.35, Gov. Code, § 4477) or subcontract with any party who is suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, "Debarment and Suspension." or on the USEPA's List of Violating Facilities. (40 CFR, Part 31.35, Gov. Code, § 4477)

Bid Forms

No bid will be considered unless it is made on a blank form furnished with these bid specifications and is made in accordance with the provisions of the proposal requirements and conditions set forth under Section 2 of the Standard Specifications of the State California, Department of Transportation, 2018, except as modified by the Special Provisions.

Bonds (Bid, Performance, and Labor and Material)

A bid guarantee in the amount of 10% of the total bid shall accompany the bid. The successful bidder shall be required to furnish a Performance Bond in an amount equal to 100% of the contract price and a Labor and Material Bond in an amount equal to 100% of the contract price with good and sufficient surety.

License

Each bidder must be licensed as required by law. A Class A - General contractor's license is required for this project.

SEQUENCE AND SCHEDULE REQUIREMENTS

- A. The work is divided into three elements: grading of Site 9, planting at all Group D sites, and three year establishment of vegetation at all group D sites.
- B. All ground disturbing work within the active channel cannot begin until June 15th each year and must be completed, including complete removal of temporary stream crossings by October 15th each year.

Mandatory Site Visit

The mandatory site visit will be on Tuesday, March 16 @ 10:00 AM. Attending the site visit is mandatory for all bidders. Interested contractors must assemble at the intersection of Hoffman Lane and Washington Street just south of the town of Yountville. At 10:00 AM we will convoy to the project site. Any contractor failing to complete the mandatory site visit will be disqualified from the bidding process.

Submission of Questions
