MEMORANDUM

To: Napa County EMS System	From: Zita Konik, MD, EMS Medical Director Shaun Vincent, EMS Administrator
Date: May 10 th , 2021	Re: Sutter Solano OB Services and LMS System

Effective immediately, Sutter Solano Medical Center will discontinue Labor and Delivery services. All EMS patients requiring obstetric related care shall be transported to the next closest appropriate facility.

Effective Monday, May 17, the Napa County EMS Agency will launch a new online License Management System with an E-Licensing Portal to manage all aspects of credentialing. EMS Providers will be able to log into their LMS account where they can fill out and submit applications for their respective Certification/Accreditation. New applicants to Napa County will be required to utilize the E-License Portal to apply for certification or accreditation. Existing providers in Napa County have until January 1, 2021 before they are required to utilize the E-Licensing Portal.

The E-Licensing Portal is located here: <https://napacounty.imagetrendlicense.com/lms/public/portal#/login> and the link will be available on the EMS Agency's certification and accreditation page (<https://www.countyofnapa.org/900/EMS-Certification-Accreditation>).

If you have any questions about this change, please contact your EMS representative or the EMS Agency directly.
