NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF NAPA on Tuesday, the 17th day of August 2021, at 9:00 a.m. at 1195 Third Street, Suite 305, Napa, California, is considering adoption of a Mitigated Negative Declaration for the project identified below:

SOSCOL-DEVLIN ROUNDABOUT PROJECT

Napa County is proposing to improve the intersection for Devlin Road and Soscol Ferry Road with construction of a roundabout. The project would convert the intersection into a yield-controlled, single-lane, three-legged roundabout designed to accommodate future traffic forecasts. There would be no expansion in the number of travel lanes for Devlin Road and Soscol Road, but minor expansion of right-of-way is necessary to accommodate the roundabout. Additional improvements would include the installation of a multi-modal pathway and pedestrian crossings, lighting, as well as restriping and landscaping. The project is located south of the City of Napa immediately southwest of the intersection of State Routes 29, 221 and Soscol Avenue within the Napa Valley Business Park (aka – Napa Airport Industrial Park). Adjacent to Assessor's Parcel Numbers 057-170-020, -021, -004, -015, & -016, and 046-400-026, & -020.

CEQA STATUS: Mitigated Negative Declaration Prepared. According to the proposed Mitigated Negative Declaration, the proposed project would have potentially significant environmental impacts on Biological Resources, Cultural Resources, Hazards and Hazardous Materials, Land Use, Noise, Transportation, and Tribal Cultural Resources, if mitigation measures are not included. This project site is not on any of the lists of hazardous waste sites enumerated under CA Government Code Section 65962.5.
