MEDIA RELEASE  
May 25, 2022**

**Subject: Wildlife Conservation Commission Grant Funds Available**

The Napa County **Wildlife Conservation Commission (WCC)** announces the availability of grant funding and on **June 15, 2022** will begin accepting applications for the **2022 WCC Grant Cycle**. The grants are intended to support the preservation, propagation, and protection of fish and wildlife in Napa County. The funding for these grants is provided by California Department of Fish and Wildlife fines, local fines and settlements, and the general fund.

The total amount of grant funds available for projects varies each year depending upon funding availability and demonstrated project needs. Past grant proposals have included wildlife rehabilitation, native habitat restoration, environmental education programs, and species monitoring studies.

Grant applications are due no later than **Friday, July 15, 2022**. The WCC is scheduled to meet to review and consider the applications in August. The WCC consists of eight (8) members: Four (4) At-Large/Citizen Representatives, One (1) Sportsman or Angler, One (1) Youth, One (1) Wildlife Conservation Representative, and One (1) Member of the Planning Commission.

Grant Applications and Selection Criteria materials are available at the Planning Building & Environmental Services Department, 1195 Third Street, Suite 210, Napa, California 94559 and at the Wildlife Conservation Commission website: [www.countyofnapa.org/wildlife](http://www.countyofnapa.org/wildlife).
