Permit status can be found by searching for the records number, parcel or address by visiting Napa County’s Online Permit Center:
https://citizen.countyofnapa.org/citizenaccess/Customization/NAPACO/launchpad.aspx

Step 1: Click on the Search Existing Permits

Step 2: Searching Options
- General Search: Can search by a variety of items such as record number, type, parcel, address.
- Global Search: Located in the upper right can be used when searching by record
Step 3: General Search Results

In some cases, the general search will result in one or more record. Once record is located click on record number for additional information.

Step 4: Record Number Results

From the Record Info dropdown > Select Processing Status
Step 5: Processing Status Example

Understanding the Status

- Approved, click the arrow for details.

- The department is still reviewing your application. If the due date is past due you may contact the assigned staff member for more information.

**Due on:** The system will automatically input a due date. Please contact the staff member assigned to the division you have processing time questions with.
