CORRECTED ZOOM LINK FOR HEARING

The public is invited to attend a public hearing on drawing county supervisor districts for the next decade on Tuesday November 2, 2021 at 2 p.m. The workshop will be held in person and virtually at the Board of Supervisors Chambers, 1195 3rd Street Rm 305, Napa CA. “I encourage everyone interested in drawing county supervisor districts for the next decade to attend the public hearing in person or remotely,” commented Napa County Registrar of Voters John Tuteur who is staffing the redistricting process on behalf of the Board of Supervisors. The public hearing is an opportunity for the Board members and the public to comment on the guidelines for drawing new supervisor districts.

The Board welcomes public input in the redistricting process. The public can continue to suggest communities of interest and submit maps at www.districtr.org/event/napa_county. Please submit your thoughts on communities of interest and draft supervisor district boundaries by saving your work to the districtr Public Gallery or by email to elections@countyofnapa.org or return a hard copy to Napa County Election Division, 1127 1st St. Ste E, Napa CA, 94559. The public can examine a sample map of the new districts at this link: https://districtr.org/edit/68508?event=napa_county. Viewers can blow up the map to see the district lines proposed. Viewers can also use the map as a starting point and draw their own map with different district lines.

Redistricting is the regular process of adjusting the lines of voting districts in accordance with population shifts. Each county with district-based elections is required to update (“redistrict”) the district boundaries every ten years, following the receipt of the 2020 population data from the federal census.
