DRAFT MAP OF NAPA COUNTY SUPERVISOR DISTRICTS AVAILABLE FOR PUBLIC REVIEW

The Board of Supervisors at the Tuesday November 2, 2021 redistricting public hearing directed the release of a draft map of the next decade’s supervisor districts for public review. The draft map is available at this link Districts and is titled Board Draft 11-16-2021. “I appreciate the Board giving the public this extended opportunity to review and comment on the draft map,” commented Napa County Registrar of Voters John Tuteur who is managing the redistricting process for the Board.

The 11-16-2021 draft map uses the Minimal Change 6 Revised map per Board direction. The only change is that the boundary between the proposed 1st and 2nd districts now runs along the middle of Laurel St in the vicinity of Foothill Blvd whereas the Minimal Change map had a small portion of the 2nd District south of Laurel St in that area. The public still has an opportunity to comment on this draft map and propose other maps at this link https://districtr.org/event/napa_County

The draft map and other proposed maps will be discussed at the next public hearing before the Board of Supervisors on Tuesday November 16, 2021 at 10:30 a.m. The public is invited to attend the hearing in person at the Board of Supervisors Chambers, 1195 3rd Street Rm 305, Napa CA or remotely at https://countyofnapa.zoom.us/j/842343169

Redistricting is the regular process of adjusting the lines of voting districts in accordance with population shifts. Each county with district-based elections is required to update (“redistrict”) the district boundaries every ten years, following the receipt of the 2020 population data from the federal census.
