

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:
 - New;
 - Renewal;
 - UFA Costs;
 - CoC Planning;
 - YHPD Renewal; and
 - YHDP Replacement.
 - Attachment Requirement
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2021 CoC Program Competition NOFO:
 - UFA Costs Project Listing;
 - CoC planning Project Listing;
 - YHPD Renewal Project Listing; and
 - YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
 - For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
 - If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Hi Natalie, Jennifer, and Niki:

As part of the 2021 Continuum of Care NOFO application process, HUD requires that CoCs with non-entitlement jurisdictions submit a certification with the state's Consolidated Plan. Homebase works with approximately 8 communities that have requested these signed certifications in previous years.

We've heard that you all might be altering your process this year. Would you mind clarifying how non-entitlement jurisdictions should go about completing the attached form from HUD, certifying consistency with the state's Con Plan?

Thank you in advance for your assistance!

Best,
Maddie

I am sorry we do not conduct these reviews anymore. See below for how to complete the review.

This is to inform you that HCD does not have sufficient resources to do full consistency reviews and has discontinued the practice of signing these forms. Local jurisdictions may utilize the self-certification option on the HUD form. (HCD-50077-SL may be completed by a "State or Local Official.")

For your convenience, the State's Consolidated Plan can be found here:

Hi Natalie,

Thank you for getting back to me! Just to be clear, I'm referencing HUD's [2991 Certification of Consistency with the Consolidated Plan](#) form. The form you linked above (I think you meant HUD-50077-SL) is a Certification of State or Local Officials of a **PHAs** Plan Consistency with a Consolidated Plan. We are working with Continua of Care (CoCs) on their CoC application, not PHAs on their 5-Year Plans. Can this form be used for CoCs?

Best,
