

Office: Member of State Assembly, District 4

Name: Bryan Pritchard

Occupation: Winemaker/Business Owner

Age: 38

Education & Qualifications:

I don't need to tell you that California is facing many challenges. I believe that in order to meet these challenges we need new leadership and problem solving. That is exactly what I bring to the table. As a business owner I solve problems every day. As your next Assemblymember, I will focus on Fire Prevention, Water Conservation and excellence in Education. To improve the quality of life in District 4 we must employ creative measures to protect our people from the ever-increasing threat of wildfires. We must build infrastructure to collect and store our water and we must improve the quality of our schools for our children's future. As your Assemblymember I will work tirelessly for you and your needs instead of the special interests who too often are heard first in the state.
