

**Office:** Napa County Supervisor District 1  
**Name:** David Graves  
**Occupation:** Water/Climate Consultant  
**Age:** 69

**Education & Qualifications:**

I've spent over 40 years serving my neighbors and community here in Napa, in both the public and private sectors. I know key County issues from every perspective: as Co-Founder of Saintsbury Winery, during 7 years on the Napa County Planning Commission, through protecting habitats on the boards of Friends of the Napa River, the Land Trust, and the Watershed Information and Conservation Council, and serving on the Napa Sanitation District Board.

As your next Supervisor, I will leverage my local knowledge and 40-years of experience to tackle our County's most pressing issues.

If elected, I commit to developing a comprehensive plan to protect our communities from the threat of wildfire. I will utilize my expertise to ensure we have reliable water supplies now and in the future. I will work to ensure all Napers have access to affordable housing so working families aren't forced out of the communities they serve. I will balance the needs of our local economy with safeguarding irreplaceable natural resources and watersheds of our beautiful Napa County. And I will continue County investments that support families, seniors, and our most vulnerable.

Please join Supervisors Brad Wagenknecht and Diane Dillon, and former State Senator Lois Wolk in supporting me for Napa County Supervisor.
