

Office: Napa County Supervisor District 3

Name: John F. Dunbar

Occupation: Mayor, Town of Yountville

Age: 58

Education & Qualifications:

I have been honored to serve my community for 18 years, including 12 years as Mayor of Yountville.

Having someone join the Board of Supervisors with my experience and knowledge of how local works is critical to deliver results for our residents, business leaders and stakeholder groups.

Collaboration is the key to making informed decisions that engage and benefit our entire community. That has been a priority throughout my public service.

Accomplishments during my tenure include adopting balanced budgets every year, updating our aging infrastructure for increased public safety, turning visitor tax dollars into resident benefits, recovery and sustainability of our business sector, and advancing climate and environmental initiatives.

I also have prioritized diversity, equity, inclusion and belonging throughout our community.

I have served on numerous non-profit and governmental boards, highlighted by my term in 2019-20 as President of the Board of Directors of Cal Cities, the advocacy organization that represents all 482 cities statewide.

In 2012, I was appointed by Governor Jerry Brown to the Napa Fair & Exposition board.

I am endorsed by numerous federal, state and local elected officials.

I ask for your vote on June 7. Thank you.
