<p>2A(1): <u>Emergency Shelter Core Practices</u>: ONLY complete for projects applying for a primary activity of Emergency Shelter.</p> <p>Deduct one point for each practice not reported in the application package.</p>	Maximum Points 12
A. All referrals to the program, including screening for program eligibility and prioritization, occur according to the CoC's Coordinated Entry system protocols.	
B. All people requesting shelter are screened for other safe and appropriate housing options (temporary or permanent) and resources to obtain/maintain their housing. People who have other safe and appropriate housing options or resources are diverted away from emergency shelter and instead offered problem-solving assistance and immediate linkage to homelessness prevention assistance, as needed, desired, and available.	
C. All people requesting shelter are also screened for critical health and safety needs to identify people with more severe service needs and provide an appropriate response.	
D. Program admission is prioritized for people with the most urgent and severe needs (as defined in § 8409 Core Practices).	
E. Access to emergency shelter is provided without preconditions, such as sobriety or ability to pay program fees.
