Re: Napa County Replacement Detention Facility, PW 20-100

Dear Prospective Bidders,

Enclosed here within is Addendum Number 2 for the above-referenced project. This Addendum Number 2 forms a part of, and modifies, the original Napa County Detention Facility, PW 20-100 bid package dated April 21, 2022, and Addendum Number 1 dated August 23, 2022. All other requirements remain the same.

NOTE: The County reserves the right to extend the due date for Submittal of Bid package responses.

ADDENDUM NUMBER 2

Item 1 – CLARIFICATION TO BID PROPOSAL

- Contractors have expressed concerns with their ability to adequately provide the separated information within the Bid Proposal for the Main Jail (SB844, SB863, & Site Work) prior to the time of bid submittal due to the demanding nature of collecting and preparing final bid numbers and completing all the necessary submission documents required for this project. Therefore, the Contractor shall only be responsible at the time of bid to include information for the line noted **“MAIN JAIL TOTAL BASE BID”** within the Main Jail portion of the Bid form, and can leave the three SB844, SB863, & Site Work lines blank (to be completed within 24 hours after the Bid submission date and time).

MAIN JAIL TOTAL BASE BID

\$

(a)

At bid time, Contractor shall still be responsible for completing all other portions of the Bid Proposal form in its entirety, including written dollar amounts, or their submissions will be considered incomplete and will be rejected. This includes but is not limited to all fields within the Basis of Award located on Page 7 of the Bid Proposal form.

Addendum No. 2 is available for download from Napa County's SharePoint site.

Bidders who already have access can use the link they have received to access the addendum, otherwise bidders must complete and submit a non-disclosure agreement (NDA) and request for plans and specifications (RFPS) form which can be downloaded from the County's project web site at:
