Napa County's 18th Crop Report Art Contest

Purpose and Theme: An art contest highlighting the diversity of food crops grown in Napa County.

The annual Ag Crop Report is widely distributed throughout our state and local government, universities, and local industry and civic organizations. 2,000 copies are printed in English and Spanish, and historical reports are available on our website.

Eligibility: Any Middle or High School Student (6th through 12th grade)

Rules:

- All entries should be submitted with a completed registration form.
- Flat and three-dimensional art pieces must be easily transportable for judging and subsequent displays at public facilities.
- Fragile artwork may be subject to breakage while being transported.
- Entries may be in any reproducible art form— photos, drawings, paintings, sculptures, etc. Winning 3-dimensional art will be photographed for use in the crop report. Note: Lighter colors do not reproduce well.
- To minimize cropping of art, please stay within these dimensions. Portrait (10 ½in H x 8 ½in W)
- Entries must be representative of agriculture and crop production in Napa County.
- Entries must be original works and not have been published prior to entry in this contest.
- The back of each art work should include: Student's name, teacher's name, school, contact information and email address.
- Do not incorporate headings and titles into the artwork.
- Items not allowed, alcoholic beverages and vessels, commercial signs, labels, etc.
- Artwork will be returned to students upon publication of the Crop Report.
