**RE: SUPPORT for Assembly Bill 1 (Frazier) – Transportation Funding**

Dear Assembly Member Frazier:

The Napa County Board of Supervisors voted unanimously today to support your bill, Assembly Bill 1 (AB 1), that we believe will greatly benefit the transportation infrastructure needs of Napa County and other local governments in California.

AB 1 is a comprehensive transportation proposal that address the overwhelming backlog of repair and deferred maintenance as well as other transportation needs in the early part of 2017. AB 1 provides a comprehensive transportation reform and funding package that meets the State's most basic repair and maintenance needs and avoids systematic failure of the State's entire transportation infrastructure. There may be no better way to put Californians back to work and stimulate our economy than making the roads we and our children rely on safe again. Napa County has a high unmet funding need for its local streets and roads. We have taken the initiative to fix our roads by successfully fighting for the passage Measure T, a one-half cent sales tax beginning in 2018, that will help pay for upgrade and repair projects for Napa County's transportation needs. There is still a large funding gap that needs to be closed to provide safe transit infrastructure to our citizens. Overall, AB 1 will provide much needed funding for Napa County and all others jurisdictions.

For these reasons, the Board strongly supports AB 1, and looks forward to its passage into law.

Sincerely,
