Bids are required for the entire work called for by the description of work set forth in the special provisions, and neither partial nor contingent bids will be considered. In conformance with Public Contract Code section 20129, bids must be valid for 60 days from the date bids are opened. Bid documents and any addendums are available at <https://www.countyofnapa.org/1607/Current-Projects>. **Bidders are responsible for monitoring this website for addendums.**

Complete sets of Contract Documents must be used in preparing Bids. The County does not assume responsibility for errors or misinterpretations resulting from the use of incomplete sets of Contract Documents.

Bid results showing the three apparent low bidders with their subcontractor lists will be posted on Napa County's ("County") website <https://www.countyofnapa.org/1607/Current-Projects> the day after the bids are publicly opened and read.

The Plans and Specification may be reviewed at the Napa County Department of Public Works 1195 Third Street, Room 101, Napa, California. Special Provisions (excluding State Standard Specifications and other documents included by reference), Description of Work, Proposal Forms, and Contract Form may be obtained at said office by prospective bidders to those licensed by the State of California for the type of work involved or may be found electronically at <https://www.countyofnapa.org/1607/Current-Projects> .

Pursuant to Labor Code section 1771.1, a contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Public Contract Code section 4104 or engage in the performance of any contract for public work, as defined in Labor Code section 1720, et seq., unless currently registered and qualified to perform public work pursuant to Labor Code section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Business and Professions Code section 7029.1 or by Public Contract Code section 10164 or 20103.5, provided the contractor is registered to perform public work pursuant to Labor Code section 1725.5 at the time the contract is awarded.

No bid will be considered unless it is made on a blank form furnished by the County Engineer of Napa County and is made in accordance with the provisions of the proposal requirements and conditions set forth under the Standard Specifications of the State California, Department of Transportation, except as modified in the above referred to Special Provisions.

Pursuant to California Labor Code section 1770, et seq., the successful Bidder shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of such prevailing rate of per diem wages are on file at the Napa County Department of Public Works where copies will be made available to any interested party on request. These rate determinations may also be found on the State of California Department of Industrial Relations' website at: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm> .

In accordance with Labor Code section 1773.2, copies of the applicable determinations of the Director of Public Works are on file at the Public Works Office and may be reviewed upon request, and in accordance with Labor Code section 1774, the prevailing wage rates for classifications of labor to be employed in the work have been determined by the County and are included in the Special Provisions referred to above.
