

A Tradition of Stewardship
A Commitment to Service

Join us on November 9th to discuss the Napa County Climate Action Plan

When: Monday, November 9th, 4:00 pm to 6:00pm

Where: Napa County Library Community Room

The Napa County Department of Planning, Building, and Environmental Services is updating its approach to reducing green house gas emissions in unincorporated Napa County and invites you to an evening discussion on this topic.

Please plan to attend if you would like to provide your thoughts on the County's efforts to prepare a Climate Action Plan. To hear brief staff presentations please arrive at 4:00 pm. The remainder of the evening will include opportunities to provide feedback. Please drop anytime between 4:00 and 6:00 and share your ideas!
