

A Tradition of Stewardship
A Commitment to Service

Join us on February 24th to discuss the Napa County Climate Action Plan

When: Wednesday, February 24th, 3:00 pm to 5:00 pm

Where: 1195 Third Street, Suite 305

The Napa County Department of Planning, Building, and Environmental Services is updating its approach to reducing green house gas emissions (GHG) in unincorporated Napa County and has completed a draft GHG inventory as the first step in preparing a Climate Action Plan.

Please plan to attend if you would like to provide your thoughts on the County's draft GHG inventory. To hear staff presentations please arrive at 3:00 pm. The remainder of the meeting will include opportunities to provide feedback.
