Bids are required for the entire work called for by the Plans and Specifications, and neither partial nor contingent bids will be considered. In conformance with Public Contract Code Section 20129, bids must be valid for 90 days from the date bids are opened. Bid documents and any addendums are available at <https://www.countyofnapa.org/Bids.aspx>. **Bidders are responsible for monitoring issued addendums at this website which may be released up to 72 hours prior to bid opening.**

Bid results showing the three (3) apparent low bidders with their subcontractor's list will be on the above website the following day after the bids are publicly opened and read.

The Plans and Specifications may be seen at the office of the Napa County Department of Public Works, 1195 Third Street, Room 101, Napa California. Plans, Special Provisions (excluding State Standard Specifications and other documents included by reference), Proposal Forms and Contract Forms may be obtained at said office by prospective bidders to those licensed by the State of California for the type of work involved, may be found electronically for no fee at <https://www.countyofnapa.org/Bids.aspx>.

In accordance with California Public Contract Code Section 3400, bidders may propose equals of products listed in the technical specifications or project plans by manufacturer name, brand or model number, unless the technical specifications or plans specify that the product is necessary to match others in use. Complete information for products proposed as equals must be submitted to the Public Works Office for review at least ten (10) days before the time specified for bid opening.

Pursuant to Labor Code section 1771.1, a contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Public Contract Code section 4104 or engage in the performance of any contract for public work, as defined in Labor Code section 1720, et seq., unless currently registered and qualified to perform public work pursuant to Labor Code section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Business and Professions Code section 7029.1 or by Public Contract Code section 10164 or 20103.5, provided the contractor is registered to perform public work pursuant to Labor Code section 1725.5 at the time the contract is awarded. Pursuant to California Labor Code section 1770, et seq., the successful Bidder shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of such prevailing rate of per diem wages are on file at the Napa County Department of Public Works where copies will be made

available to any interested party on request. These rate determinations may also be found on the State Department of Industrial Relations' website at: <http://www.dir.ca.gov/dlsr/DPreWageDetermination.htm> . In accordance with the California Government Code Section 1773.2, copies of the applicable determinations of the Director are on file at the Public Works Office and may be reviewed upon request. In accordance with the provisions of Section 1774 of the Labor Code, the prevailing wage rate for classifications of Labor to be employed in the work have been determined by the Napa County Board of Supervisors and is included in the Special Provisions referred to above.

The work for the project generally consists of tree removal, roadway demolition, excavating and reconstructing slide areas above and below the road, installing retaining walls with associated drainage, and repaving the damaged area. Refer to the Plans and Specifications for more details.

The Contractor shall possess a Class "A" license at the time of contract award. No bid will be considered unless it is made on a blank form furnished by the County Engineer of Napa County and is made in accordance with the provisions of the proposal requirements and conditions set forth under the Standard Specifications of the State California, Department of Transportation, except as modified in the above referred to Special Provisions.

A bid guarantee in the amount of 10% of the total bid shall accompany the bid.

The successful bidder shall be required to furnish a Performance Bond in an amount equal to 100% of the contract price and a Labor and Material Bond in an amount equal to 100% of the contract price with good and sufficient surety.
