Any person or her/his agent or employee may provide similar services to CONTRACTOR's SOLID WASTE HANDLING SERVICES for her/his own SOLID WASTE. CONTRACTOR hereby agrees, for and during the term of this AGREEMENT, to furnish all labor, equipment, FACILITIES and services necessary to provide those SOLID WASTE HANDLING SERVICES described herein, at the times, in the manner as stated herein, and at the rates set forth in Exhibit C, developed in accordance with the methodologies set forth in Exhibit B, said exhibits being attached hereto and incorporated by reference herein.

3.1 **Rate Setting.** In accordance with the rate methodologies set forth in Exhibit B, AGENCY shall establish and may unilaterally amend at any time by resolution all rates, tolls, tipping fees, other fees, and other charges for those SOLID WASTE HANDLING SERVICES provided by CONTRACTOR as described herein. Such resolutions shall be deemed automatically incorporated into this AGREEMENT as Exhibit "C-[*date of resolution*]", with the currently-effective rates being those in the resolution bearing the

- 3.3 Increases in Expenses Resulting from this AGREEMENT. In this AGREEMENT there are Paragraphs requiring CONTRACTOR to perform services, acquire property or equipment, or purchase services at the expense of CONTRACTOR. Reimbursement of all such additional expenses shall be evaluated according to the provisions of the Rate Methodology set forth in Exhibit B. The AGREEMENT can thereafter be renewed for succeeding ten (10) year terms provided that the permitted life of the LANDFILL has been extended for at least ten additional years thirty-six (36) months before the termination date of this AGREEMENT and written notice of intent to renew is given by AGENCY to CONTRACTOR at least thirty-six (36) months prior to the next termination date, or unless otherwise terminated as provided in Section 6.

- 5.3 No Waiver. The waiver by either party of any breach or violation of any requirement of this AGREEMENT shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this AGREEMENT.
- 5.4 Amendment. Except as specifically provided herein, this AGREEMENT may be modified or amended only in writing and with the prior written consent of both parties.
- 5.5 Interpretation. The headings used herein are for reference. The terms of the AGREEMENT are set out in the text under the headings. This AGREEMENT shall be governed by the law of the State of California.

Any violation of this Paragraph shall constitute a minor breach.
- 5.14 Taxes and Fees. CONTRACTOR shall be responsible and liable for payment of all federal, state and local taxes and fees, and surcharges of every kind, that apply to any and all persons, property, income, equipment, materials, supplies, structures, or activities that are involved in the performance of this AGREEMENT, including but not limited to, any income taxes, real property, excise, sales and use taxes, surcharges imposed by AGENCY under the ACT, business and occupation taxes and fees that arise in connection with the AGREEMENT. Any violation of this Paragraph shall constitute a minor breach.
- 5.15 Non-Discrimination. CONTRACTOR and its officers, employees, agents and subcontractors shall not deny the benefits of this AGREEMENT to any person on the basis of religion, color, ethnic group identification, sex, age, physical or mental disability, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, marital status, age, sex, sexual orientation, gender identity and gender expression. CONTRACTOR shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Any violation of this Paragraph shall constitute a minor breach.
- 5.16 Fair Employment and Housing Act. CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900, et seq.), the

Any violation of this Paragraph shall constitute a minor breach.

SECTION 6. **PERFORMANCE VIOLATIONS/BREACHES AND TERMINATION**

- 6.1 Performance Bond. CONTRACTOR shall obtain and maintain during the term of this AGREEMENT at its own expense from a corporate surety entitled to do business in the State of California and provide to the AGENCY a performance bond in the amount of no less than twenty five thousand dollars (\$25,000), securing full and faithful performance by CONTRACTOR of all of its obligations under this AGREEMENT, including payment of any penalties/liquidated damages assessed for violations of this AGREEMENT under Paragraph 6.9. The form of said bond shall be subject to the prior approval of AGENCY and may be in the form of a corporate surety bond, an irrevocable letter of credit, or a cash deposit established in a local bank in an interest-bearing account payable to the order of AGENCY as trustee for CONTRACTOR, with all interest distributed to the CONTRACTOR. Said bond shall be renewed annually during the life of this AGREEMENT and evidence of said renewal shall be furnished to AGENCY prior to the expiration of the bond then in effect. Any violation of this Paragraph shall constitute a major breach.
- 6.2 Breaches of this AGREEMENT: General. CONTRACTOR shall be required to comply with the provisions of this AGREEMENT and its failure to fulfill in a timely and proper manner CONTRACTOR's obligations under this AGREEMENT shall constitute a breach of this AGREEMENT. A breach of this AGREEMENT shall fall into one of two categories, major or minor.
- 6.3 Breach Notification. In the event AGENCY finds that CONTRACTOR has violated any provision of this AGREEMENT, AGENCY shall provide CONTRACTOR with written notice of the violation, by certified mail to the CONTRACTOR, including all relevant details and an opportunity to cure the violation within a reasonable period of time. The notice referred to in this paragraph, shall have no effect if it comes from a MEMBER of the AGENCY. In order to have effect it must come from the AGENCY after a duly noticed meeting of the AGENCY Board of Directors. The written notice shall state the nature of the breach and whether it is considered major or minor by the AGENCY.
- 6.4 Major Breaches. Major breaches shall be identified under the provisions of this AGREEMENT and shall be grounds for revocation of this AGREEMENT. AGENCY

shall give written notice of a major breach of this AGREEMENT and this AGREEMENT may be revoked if CONTRACTOR has failed to correct such breach within six (6) months after notice. However, AGENCY may require a longer or shorter period of time for correction depending on the circumstances, and immediate compliance may be required by AGENCY to the extent any problem represents a substantial and immediate threat to the public health and safety.

- 6.5 Minor Breaches. Minor breaches of this AGREEMENT shall not constitute grounds for revocation. CONTRACTOR shall correct such minor breach within thirty (30) days after written notification from the AGENCY of such breach. If such breach is not corrected within thirty (30) days AGENCY may impose a penalty appropriate to the nature and extent of the breach which may not be passed through to the CUSTOMERS as an expense under the rate methodology.
- 6.6 Appeal of Breach. CONTRACTOR may request a hearing regarding the alleged breach by filing a written request with the AGENCY Board of Directors. Such request shall be filed not more than fifteen (15) calendar days after notice of the breach. If such request is received, the AGENCY shall set the matter for public hearing on a date not more than sixty (60) calendar days following receipt of such written request, and shall give CONTRACTOR at least fifteen (15) calendar days' written notice of the time, date and place of the hearing. AGENCY shall issue its written decision and findings within thirty (30) calendar days after the date of the close of the hearing.
- 6.7 Arbitration. Contest of any decision made under Paragraph 6.6 shall be subject to the arbitration provisions of Section 7 of this AGREEMENT. If the parties differ over the question of whether or not the breach has been cured, the question shall be resolved by arbitration under the provisions of Section 7 of this AGREEMENT.
- 6.8 Cure of Breach. Notwithstanding the above, CONTRACTOR shall be entitled to cure the problem(s) to the satisfaction of the MANAGER at any time prior to the hearing before AGENCY Board of Directors. In the event of such cure of the default, the hearing shall be canceled and the suspension or revocation shall not become effective.
- 6.9 Penalties. For the purposes of this Section, penalties shall be in the nature of Liquidated Damages. If the violation is reasonably curable within thirty (30) days of receipt of AGENCY's written notice, and if CONTRACTOR has not commenced appropriate corrective action within that thirty (30) day period, or provided a plan to correct the violation in accordance with subsection (b) below, then AGENCY may proceed to assess damages for CONTRACTOR's individual or repeated willful violation of a material franchise requirements of up to One Hundred Dollars (\$100) per day, or per incident, for all minor breach violations, and up to Five Hundred Dollars (\$500) per day, or per incident, for major breach violations, provided that all such violations of similar nature

occurring at the same time shall be deemed one (1) incident.

- (a) In the event any stated violation is not reasonably curable within thirty (30) days, damages shall not be assessed if the CONTRACTOR has provided, within the said thirty (30) days, a plan, satisfactory to the AGENCY, to remedy the violation and continues to demonstrate good faith in seeking to correct said violation.
- (b) In determining which remedy or remedies for CONTRACTOR's violation are appropriate, AGENCY shall take into consideration the nature of the violation, whether the violation was chronic, the person or persons bearing the impact of the violation, the nature of the remedy required in order to prevent further such violations and such other matters as the AGENCY may deem appropriate.

6.10 Termination Due to Insolvency. If at anytime during the term of this AGREEMENT, CONTRACTOR shall become "insolvent" as hereinafter defined, then this AGREEMENT, and all of the rights and privileges granted thereby, shall immediately cease, be forfeited, and canceled without notice and without suit or other proceeding. For purposes of this Section, "insolvent" shall mean any one of the following events:

- (a) Bankruptcy proceedings as commenced by or against CONTRACTOR, its parent corporation or owner; or
- (b) The appointment of a receiver for any property of CONTRACTOR, parent corporation or owner; or
- (c) Assignment, whether voluntary or involuntary, for the benefit of CONTRACTOR's creditors or creditors of CONTRACTOR's parent corporation or owner.

6.11 Termination - Significant Change in Circumstances. This AGREEMENT may also be terminated in the event that any of the following significant changes in circumstances occurs:

- (a) Court Decisions. This AGREEMENT is approved pursuant to Section 40059 of the California Public Resources Code. If that provision should be declared invalid by a court of competent jurisdiction in Napa County or by an appellate court whose decisions are binding within Napa County, or such a court determines that this AGREEMENT could have been entered into only after AGENCY complied with Section 49200 of the Public Resources Code, then all rights under this AGREEMENT shall be deemed terminated as of the date of entry of the judgment

containing such determination, without notice and without suit or other proceeding by AGENCY or CONTRACTOR, and without any right of compensation by either party against the other for losses incurred as a result of such termination.

- (b) Undue Hardship on Rate Payers as Result of Unexpected Change in Laws, Markets, or Technologies. If, as the result of an unexpected change in the laws, markets or technologies applicable to the SOLID WASTE HANDLING SERVICES, the continued existence of this AGREEMENT would result in an increase in LANDFILL rates greater than fifteen percent (15%) higher than those disposal or transfer station rates charged at other solid waste facilities in Napa County, AGENCY may, in its discretion and after no less than one year written notice to CONTRACTOR and after consultation with CONTRACTOR, unilaterally terminate this AGREEMENT without obligation to CONTRACTOR for any additional losses, which were not approved by the AGENCY, incurred by CONTRACTOR as a result of such termination. Specifically, AGENCY shall be obligated to continue to provide for the funding of its obligations concerning payment of the CONTRACTOR's approved closure and post-closure cost estimates at the level included in the rates over the remaining length of the term of this AGREEMENT. The AGENCY shall determine and provide for the expenses incurred by CONTRACTOR for providing the SOLID WASTE HANDLING SERVICES described herein, for the original remaining term of this AGREEMENT. If any costs are recovered or avoided by CONTRACTOR concerning the above obligations and expenses paid by the AGENCY, CONTRACTOR shall reimburse AGENCY those appropriate amounts. AGENCY shall not be entitled to terminate this AGREEMENT if the rates are greater than fifteen percent (15%) higher than those Napa County disposal or transfer station rates if the difference is due to anything other than an unexpected change in the law, markets or technology. Specifically, this AGREEMENT may not be terminated if the difference in rates is due to lower volume at the LANDFILL or higher volume at those Napa County disposal or transfer stations, or any other change due to competition.

- 6.12 AGENCY Disbands. If the AGENCY disbands for any reason, its MEMBERS shall be bound by the provisions of this AGREEMENT pursuant to the JOINT POWERS AGREEMENT.

SECTION 7. ARBITRATION

- 7.1 Settlement by Arbitration. Any matter arising out of or relating to this AGREEMENT, other than claims for personal injury or property damage or hold

harmless/indemnification for such claims, shall be settled by arbitration conducted in compliance with the provisions of the California Arbitration Act, commencing with Section 1280 of the California Code of Civil Procedure.

- 7.2 Panel. Each arbitration shall be conducted by a panel of three (3) impartial arbitrators. Arbitrators shall be required to have a minimum of five (5) years experience in the landfill disposal industry. One arbitrator shall be appointed by CONTRACTOR, one arbitrator shall be appointed by AGENCY, and the third arbitrator, who shall be the chairperson of the panel, shall be appointed by the other two arbitrators. If the other two arbitrators are unable to agree upon an appointment, the third arbitrator shall be appointed by the Presiding Judge of the Superior Court in Napa County. The chairperson of the arbitration panel shall be an attorney licensed to practice within the courts of the State of California. No member of the panel shall be an officer, employee, agent or attorney of CONTRACTOR, or any affiliate of CONTRACTOR or AGENCY.
- 7.3 Appointments. CONTRACTOR and AGENCY shall each appoint its arbitrator and mail notice to the other of its selection not later than fifteen (15) calendar days following filing of a notice of appeal to arbitration or mailing of the initiation of arbitration. The third arbitrator shall be appointed not later than thirty (30) calendar days following filing of the notice of appeal to arbitration or mailing of the initiation of arbitration.
- 7.4 Meetings. The chairperson of the arbitration panel shall select the site of the hearing, retain a stenographic reporter (or recording mechanism authorized at the time of the arbitration to officially record proceedings in the Napa County Courts) to report the hearing, and, in consultation with the other members of the panel and the parties, schedule the hearing. The hearing shall be scheduled to commence no later than seventy-five (75) calendar days following filing of the notice of appeal to arbitration or mailing of the initiation of arbitration. The chairperson of the panel shall mail written notice of the time, date and place of the hearing to the other two arbitrators, AGENCY and CONTRACTOR not later than twenty (20) calendar days in advance of the hearing.
- 7.5 Non-Chairperson Compensation and Expenses. The compensation and expenses of the arbitrator appointed by CONTRACTOR shall be borne and paid solely by CONTRACTOR. The compensation and expenses of the arbitrator appointed by AGENCY shall be borne and paid solely by AGENCY. CONTRACTOR and AGENCY shall each bear and solely pay its own costs and attorney's fees, expert and other witness fees and other expenses incurred in the preparing and prosecuting their respective cases. In proceedings where the record of a public hearing of AGENCY Board of Directors is to constitute by the arbitration panel, the costs of transcribing, typing and copying the record shall be borne and paid equally by CONTRACTOR and AGENCY.
- 7.6 Chairperson Compensation and Expenses. The compensation and expenses of the

chairperson of the arbitration panel, rental, if any, for the place of the hearing, per diem costs of the stenographic reporter (or other authorized recording system), costs of transcribing and costs of the arbitration proceeding not otherwise identified in this AGREEMENT shall be divided equally between, borne and paid by CONTRACTOR and AGENCY. The arbitration panel shall not be empowered to order a division of costs, fees or expenses different from that prescribed by this Section.

- 7.7 Award. The arbitration award shall be determined by a majority of the members of the arbitration panel, and shall be in writing. If it is necessary for the panel to make determinations of fact, it shall include findings of fact and conclusions with the award. The award shall be issued and mailed to the parties not later than sixty (60) calendar days following the close of the arbitration hearing.
- 7.8 Powers. The arbitration panel shall have no authority to add to, delete or alter any provisions of the AGREEMENT, but shall limit its interpretation to the express terms of the AGREEMENT. The arbitration panel shall have the power to award the prevailing party as monetary damages from the non-prevailing party the prevailing party's full costs incurred in connection with the arbitration, including but not limited to, that party's share of the panel and hearing expenses, attorney's fees, and expert witness fees, if the panel concludes that the request for arbitration made by the non-prevailing party was frivolous and without significant merit.
- 7.9 Enforcement of Award. The arbitration award may be judicially enforced, shall be final, binding and conclusive upon the parties and shall not be subject to judicial review or vacation except on ground set forth in Sections 1286.2 and 1286.6 of the Code of Civil Procedure.

SECTION 8. RESERVATION OF RIGHTS

- 8.1 Regulation. AGENCY reserves its right to regulate or further regulate aspects of SOLID WASTE HANDLING SERVICES including, but not limited to, level of service, charges and fees, nature, location and extent of providing SOLID WASTE HANDLING SERVICES.
- 8.2 SOLID WASTE generated outside of the SERVICE AREA. CONTRACTOR reserves the right to accept SOLID WASTE from areas other than the SERVICE AREA subject to the following limitations. CONTRACTOR shall at all times maintain and provide permitted LANDFILL capacity for the AGENCY's approved estimated WASTE disposal needs at the LANDFILL over the term of this AGREEMENT. Each calendar year CONTRACTOR may accept at the LANDFILL SOLID WASTE generated from areas

other than the SERVICE AREA in an amount up to and no more than, 5% of the single highest previous year of volume from among the three calendar years immediately preceding the current year.

CONTRACTOR may exceed this limit in only three circumstances:

- a. CONTRACTOR demonstrates that its acceptance of additional SOLID WASTE generated from outside the SERVICE AREA did not result in any additional traffic burden on roadways within Napa County; or
- b. CONTRACTOR demonstrates that its acceptance of additional SOLID WASTE generated from outside the SERVICE AREA was a matter of public necessity as a result of a declared emergency; or
- c. CONTRACTOR obtains the consent of the AGENCY before accepting such additional SOLID WASTE generated from outside the SERVICE AREA, which consent shall not be unreasonably withheld if CONTRACTOR demonstrates a reasonable need for acceptance of such additional SOLID WASTE.

CONTRACTOR shall provide an annual accounting of its acceptance of SOLID WASTE generated from outside the SERVICE AREA in order to demonstrate its compliance with this Section 8.2.

- 8.3 Other Activities. CONTRACTOR reserves the right to conduct other activities at the LANDFILL which are either regulated or not regulated by the AGENCY, provided that such activities do not interfere with CONTRACTOR's duties hereunder and provided that such activities are lawful under Federal and State laws and regulations.

SECTION 9. ACCIDENTS AND COMPLAINTS

- 9.1 Accident Notification. CONTRACTOR shall be responsible for all injuries, accidents and other mishaps associated with its operations. CONTRACTOR shall report any accidents resulting from the performance of this AGREEMENT to AGENCY as soon as practicable by telephone or messenger. For purposes of this Section, "accident" shall include the death of any person, any personal injury resulting in inpatient hospitalization or out-patient treatment by a physician, or damage to any real or personal property exceeding \$10,000. CONTRACTOR shall report, in writing, to AGENCY, within seven (7) days of knowledge that the accident exceeds ten thousand dollars (\$10,000), complete

details of the accident, including witness statements. Any violation of this reporting requirement shall constitute a minor breach.

- 9.2 Legal Action Response. CONTRACTOR shall respond in a reasonable manner to legal actions, complaints, charges and allegations related to CONTRACTOR's performance under this AGREEMENT within thirty (30) days of receipt of that legal action, complaint, charge, or allegation, including but not limited to, those legal actions made or actions brought by citizens, citizen groups and public agencies. In the event any legal action is filed against CONTRACTOR, CONTRACTOR shall report, in writing, to AGENCY, within seven (7) days of the legal action filing, complete details of the action, including the nature of the response. Any violation of this reporting requirement shall constitute a minor breach.
- 9.3 Other Complaints. CONTRACTOR shall keep a log of complaints if reasonably practical. If AGENCY requires activities which result in a rate increase which causes excessive complaints, CONTRACTOR shall be excused from logging complaints relative to those activities for a period of three (3) months from the effective date of the increase, but shall refer complainants to the MANAGER. CONTRACTOR shall not be required to keep a log of complaints related to any legal complaint. If complaints are deemed reasonable, CONTRACTOR shall take whatever action it deems necessary to respond to such complaint. Any violation of this Paragraph shall constitute a minor breach.

SECTION 10. CLOSURE AND POST-CLOSURE FUNDS

- 10.1 Responsibility. CONTRACTOR shall be responsible for all closure and thirty years of post-closure costs relating to the LANDFILL. CONTRACTOR shall establish and maintain at its sole expense any closure and post-closure trust fund now or hereafter required under any applicable federal or state law or regulation. Any violation of this Paragraph shall constitute a major breach.
- 10.2 Closure and Post-Closure CONTRACTOR shall comply with the provisions of Title 14 Article 3.5 and following of the California Code of Regulation in the manner required by the California Integrated Waste Management Board and the AGENCY. Any violation of this Paragraph shall constitute a major breach.
- (a) Trust Fund. In the event a "trust fund" and/or an "enterprise fund" is created and funds are collected from the rate payers for closure and post-closure costs, CONTRACTOR shall collect such funds and hold such funds as trustee for AGENCY and shall not own such funds and shall not be required to include such funds in its income for tax purposes. CONTRACTOR shall use such funds for

closure and post-closure only and only as trustee for AGENCY. In the event that the value of the trust fund is greater than the required amount of coverage minus the amount of coverage demonstrated by other mechanisms, and in the further event that such excess funds are released to CONTRACTOR under the provisions of CRC 18284 (c), then such funds will become revenue for the CONTRACTOR and an appropriate adjustment shall be made in applying the Rate Methodology attached in Exhibit B. Treatment of Trust Funds created prior to this AGREEMENT for LANDFILL financial assurance may be treated differently concerning ownership of those trust funds than that which is outlined in this paragraph.

- (b) In the event CONTRACTOR proposes to use other financial mechanisms for providing financial assurance for closure and post-closure, prior approval of such financial mechanism and the associated impacts to this AGREEMENT, including the attached Rate Methodology and Rates, shall be required by the AGENCY. Such approval shall not be unreasonably withheld if such mechanisms comply with State and Federal laws and regulations.

10.3 Operating Liability. CONTRACTOR shall make the contributions required pursuant to the ACT to provide for the Operating Liability. If a trust fund is used, such fund shall be considered a Third Party Trust Fund according to the Rate Methodology (Exhibit B). If CONTRACTOR proposes to use other financial mechanisms for providing the Operator Liability required pursuant to State and Federal laws and regulations, such financial mechanism shall be subject to approval by the AGENCY. Any violation of this Paragraph shall constitute a major breach.

SECTION 11. FACILITIES

11.1 Acquisition. As reasonably required by AGENCY, CONTRACTOR agrees to acquire and maintain in good repair all FACILITIES, vehicles, LANDFILL scales, and all other equipment necessary to meet its obligations herein, including, but not limited to, administrative offices, as well as buildings and other improvements for storage and maintenance of vehicles and equipment, for the DIVERSION of SOLID WASTE, including yard waste, and for the transfer of WASTE and/or DIVERTIBLE MATERIALS if necessary. CONTRACTOR agrees to promptly remove or have removed any liens or encumbrances that, because of any act or default of CONTRACTOR, its officers, employees, or agents, or of CONTRACTOR's subcontractors or sub-subcontractors, or material suppliers, or equipment owners are filed against the LANDFILL or other FACILITY. CONTRACTOR reserves the right to contest liens prior to their payment. Any violation of this Paragraph shall constitute a major breach.

11.2 Use. The FACILITIES may be used for activities unrelated to this AGREEMENT including, but not limited to, other contracts or franchises with other governmental agencies, private agencies, other businesses related to the SOLID WASTE business and businesses unrelated to the SOLID WASTE business, provided that such other uses do not prevent, hamper or delay uses reasonably necessary for performance by CONTRACTOR of its obligations under the AGREEMENT. Any violation of this Paragraph shall constitute a major breach.

SECTION 12. QUALITY OF PERFORMANCE

12.1 CONTRACTOR shall coordinate and schedule in an orderly manner and manage all work done by CONTRACTOR's officers, employees, and subcontractors. All workers and subcontractors shall be skilled in their trades. All operators shall be licensed or otherwise qualified as required by law. - (a) Workers' Compensation insurance. notice of any non-renewal, cancellation, other termination, or material change; shall provide that the insurance provided is primary coverage to AGENCY with respect to any insurance or self-insurance programs maintained by AGENCY; and shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability. CLOVER FLAT LANDFILL RATE METHODOLOGY

I. INTRODUCTION

The Rate Methodology contained herein is intended to provide a consistent framework for establishing the Rates to the Franchisee, the Clover Flat Landfill (the "CONTRACTOR") by the Rate Setting Agency, the Upper Valley Waste Management Agency (the "AGENCY").

To accomplish these goals, the AGENCY, and the CONTRACTOR have agreed on a methodology which incorporates the use of the Adjusted CPI Index for adjustment of the Landfill Tip Fee and Regulatory Mandated Expenses which will govern the sole means of compensation

to the CONTRACTOR. This methodology has been developed in consultation with the members of the AGENCY, recognizing the importance of Landfill Rates at Clover Flat Landfill on the overall costs of waste management for the ratepayers within the AGENCY's MEMBER Jurisdictions.

II. RATE SETTING PROCESS

1. ADJUSTMENT OF RATES

a. Annual Adjustment

The Initial Year Rates beginning in July 1, 2007 are set forth in Exhibit C. Subject to the terms herein, the CONTRACTOR is entitled to one Landfill Tip Fee (as that term is defined below) rate adjustment annually beginning on July 1, 2008. CONTRACTOR'S request for an adjustment shall be prepared in a format approved by the AGENCY Representative, and shall be submitted to the AGENCY by May 1st each year, beginning with May 1, 2008. Each adjustment is to be based on the change in data from the previous twelve (12) month period as specified in this Article II, is to be approved by the AGENCY in June of each year, and will be effective on each subsequent July 1st. Each component shall be adjusted as specified in this Article II.

The Agency shall adjust the Landfill Tip Fee up or down to reflect: 1) the product of the change in the annual CPI measured as the percentage change in the Adjusted CPI Index over the previous (12) months multiplied by the then current Landfill Tip Fee; 2) Agency approved Regulatory Mandated Expenses; and 3) rate comparison with the Devlin Road Transfer Station (DRTS) (or subsequent facility should DRTS be replaced in the future).

b. Calculation of Adjustment to Landfill Tip Fee

Landfill Tip Fee shall be adjusted as follows:

Adjusted Landfill Tip Fee = (previous year Approved Landfill Tip Fee) x $\left[\left(\frac{\text{current year February CPI}}{\text{12-month previous year February CPI}} - 1 \right) \times 0.89 + 1 \right]$

Example: Assume the following change in CPI:

1. Current year February CPI = 123
2. Previous 12-month February CPI = 118
3. Previous year Approved Landfill Tip Fee = \$61.00

Adjusted Landfill Tip Fee is calculated as follows:

Adjusted Landfill Tip Fee = $\$61.00 \times \left[\left(\frac{123}{118} - 1 \right) \times 0.89 + 1 \right] = \$ 63.30$

This example shall apply to all the categories of Solid Waste set forth in Exhibit C.

c. Change in Regulatory Mandated Expenses

Landfill Tip Fee shall be adjusted as follows:

Example of related expenses: Assume the following:

1. Regulatory change costs \$250,000 (Should there be a need to finance any Regulatory Mandated Expenses that are incurred in full or in part prior to rate recovery occurring, then the amount of loan interest needed to finance the Regulatory Mandated Expenses incurred would also be included as part of the regulatory change costs).

2. Expenses will be incurred at Closure of the Landfill.

3. Estimated closure date is July 1, 2025

4. Number of Average tons disposed over the last 5 years = 44,000 tons.

5. New Annual State Mandated regulatory fee = \$500

6. An average of 250 pound per cubic yard

Adjustment to Adjusted Landfill Tip Fee is calculated as follows:

Additional amount added to Adjusted Landfill Tip Fee =

$$[\$250,000.00 / 18 / 44,000] / .89 = \$.35$$

$$+ [\$500 / 44,000] = \$.01$$

$$= \$.36 \text{ per ton or } \$.05 \text{ cubic yard.}$$

d. Change in the CPI Index

If the CPI Index is discontinued or revised during the Term such other index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the CPI Index had not been discontinued or revised.

e. Rate Comparison with DRTS

The per ton Fee (excluding franchise and regulatory fees) shall at no time be 15% more nor 5% less than the self-haul per ton fees charged at DRTS (or subsequent facility should DRTS be replaced).

2. DATES FOR RATE APPLICATIONS AND RATE SETTING

Rate applications will be submitted May 1st of each year for review and adjustments to Rates will be applied to the following Rate Year beginning on July 1st.

3. ADJUSTMENTS TO RATE SETTING PROCESS

If either the AGENCY or CONTRACTOR wishes to propose adjustments to the Rate setting process once the methodology has been adopted, a written proposal of these amendments shall be submitted by the party desiring the changes and distributed to all interested parties. Both parties will review the proposed adjustments in a timely manner and notify the other party as to their decision of whether to adopt or not adopt the amendment to the Rate Methodology. The adoption process will follow that of the original Rate Methodology adoption process.

III. DEFINITIONS

In addition to the Definitions stated in Exhibit A of this AGREEMENT, Section 1, the following definitions, that have the first letter capitalized in this Exhibit B, have the following meanings:

Adjusted CPI Index: the factor by which the prior year Approved Landfill Tip Fee (fiscal year 2007/2008 shall be defined as Initial Year Rate with no adjustment) is adjusted to address changes in the consumer price index (CPI). The CPI is defined as 89 % of the increase or decrease in the Consumer Price Index (CPI, the San Francisco-Oakland-San Jose Metropolitan Area Consumer Price Index for All Urban Consumers) over the previous twelve (12) months from the February CPI, not to exceed 8% in any given Rate Year (and therefore Index not to exceed 7.12% per year, or 89% of 8%). The CONTRACTOR may at their option, choose to round down the Approved Landfill Tip Fee. If the calculated amount of the CPI in a given year exceeds the 8% limit set forth above, the percentage above the 8% limit may be carried over to the CPI adjustment calculated in the immediately following year. The carryover percentage shall not result in any CPI adjustment in any year that exceeds an 8% increase over the immediately prior year.

Any carryover waived by the company in one year is extinguished and may not be requested in future years. If the CPI increase in the final year of the effect of this AGREEMENT exceeds 8%, the CONTRACTOR shall have no right to receive compensation or additional fees of any kind for the excess above 8%.

CPI: the San Francisco-Oakland-San Jose Metropolitan Area Consumer Price Index for All Urban Consumers

Landfill Tip Fee: means charge for each category of Solid Waste delivered to Clover Flat Landfill as set forth in Exhibit C.

Rate(s): Rates are defined as:

- a. Proposed Landfill Tip Fee's are those proposed by the CONTRACTOR for the new Rate Year
- b. Adjusted Landfill Tip Fee's are those adjusted by the AGENCY from Proposed Rates supplied by the CONTRACTOR
- c. Approved Landfill Tip Fees's are those set and approved by the AGENCY to be applied for the Rate Year.
- d. Initial Year Rates for the period of July 1st 2007 through June 30th, 2008 is equal

to those rate set forth in Exhibit C.

Rate Methodology: the method and steps set forth in this document, which shall be used to govern the calculation of solid waste and recyclables Rates by the AGENCY.

Rate Year: a one year period beginning July 1st and ending the subsequent June 30th during which time a single Rate per Solid Waste ton is charged.

Regulatory Mandated Expenses: includes only those expenses related to Federal, State or Local regulatory agency requirements as a result of change in law and approved by the AGENCY after July 1, 2007.
