Recycling Saves!

Here are some easy ways to help:

REDUCE
Consider what you are buying

Purchase products made of recycled materials...

Bring your own bag

Recycle & reuse at home & work

Compost your food scraps, soiled paper, and yard trimmings

Recycling Saves Resources

Recycling protects the environment and reduces the need to extract virgin materials, including oil — recycling one ton of plastic saves the equivalent of nearly 4 barrels of oil.

Recycling Saves Energy

Last year, over 175,000 tons of materials were recycled or composted at the Napa Recycling & Composting Facility. By keeping these valuable resources out of the landfill, we significantly decreased carbon dioxide and methane emissions and saved enough energy to power all the houses in Napa for three months!

Recycling Saves Jobs

Did you know that the recycling industry in California employs as many people (85,000) as the film industry? And, for every ton of material that is recycled, instead of wasted in incinerators and landfills, 10 times more jobs are created in recycling sorting, and 25 times more jobs are created in recycling manufacturing.

Recycling Saves Money

Recycling and compost collection is free with your residential service, and your monthly rate is determined by the size of your garbage container. The bigger your landfill container, the more you pay...save money by reducing your waste!

* Information from the U.S. Environmental Protection Agency's Waste Reduction Model (WARM), www.epa.gov/climatechange

RECYCLING

Some of the recycling & compostable items may differ with Up-Valley and American Canyon services — check with your service provider.

PAPER

Shredded paper should be consolidated in clear plastic bags

GLASS

METAL

RIGID PLASTICS

NO PLASTIC BAGS • NO FOOD • NO LIQUID

LANDFILL — NOT RECYCLABLE OR COMPOSTABLE

NO HAZARDOUS WASTE • NO RECYCLABLES • NO COMPOSTABLES

COMPOST – INCLUDE THE FOOD!

FOOD SCRAPS

raw, prepared & cooked food, fruits & vegetables, bread, dairy, meat, bones, grease, eggshells, seafood/shellfish, pet food

SOILED PAPER

paper towels, tissue, paper cups & plates, coffee filters & grounds, tea bags, waxed paper, butcher paper, paper take-out boxes

YARD TRIMMINGS

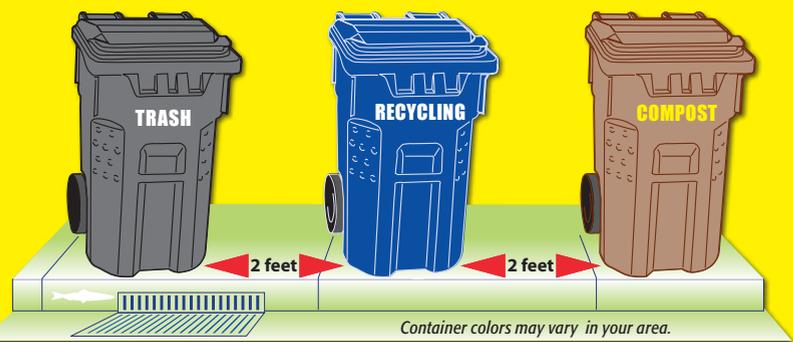

grass, leaves, branches (*up to 6" diameter*), brush & other plant debris, animal bedding, flowers, pumpkins, holiday greenery, unpainted/untreated wood (*less than 36" in length*)

PLEASE NOT IN COMPOST

- Plastic bags / wrap or straws
- Styrofoam
- Glass bottles & metal cans
- Aluminum foil / foil-lined food wrap
- Cat & dog waste / cat litter
- Non-compostable wipes
- Diapers
- Liquids
- Hazardous waste
- Rocks or dirt
- Painted wood

IMPORTANT

All items must be placed in the cart. When your cart is full, set it out by 6am on your service day, at least 2 feet away from other carts and 4-6 feet from other objects, lid opens toward the street; cart handles should be away from the street.

NO HAZARDOUS WASTE such as automotive fluids, pesticides and fertilizers, paint products, cleaners, batteries, etc. For safe and legal disposal of hazardous waste, see page 14.

BUSINESS & SCHOOL RECYCLING

FREE Waste Assessments

Can you decrease the garbage bill at your business, apartment building or school?

Are you paying to dispose of materials that could be recycled or composted? Learn how to take advantage of ALL the recycling and composting services offered. Call NRWS at 707-255-5200 for south county information. For Upper Valley information, call 707-259-8330. We will schedule a site visit to help you determine what services are right for your business. We help give you a strategy to reduce waste, recycle more and save money.

Mandatory Commercial Recycling & Composting

As part of California's efforts to reduce greenhouse gas emissions and reach a 75% recycling rate by 2020, recycling is now mandatory for all large businesses and apartment complexes. Mandatory composting started in 2016 for large generators of food scraps/other organics. In Napa, we make it easy for your business – contact your service provider or visit **www.NapaRecycling.com** now to start or improve your recycling program!

Interior Bins

Do you need a better way to collect and transfer recyclables or compost from your office, classroom or apartment to the bins outside?

The City and County of Napa will provide free interior recycling and composting containers to businesses, schools, and multi-family dwellings committed to recycling (*while supplies last*).

Email naparecycles@cityofnapa.org or call 707-257-9200 for more details.

For Upper Valley options call 707-259-8330 or email upvalleyrecycles@countyofnapa.org

23 gallon Slim Jim

32 gallon

Slim Jim Dolly

Single Dolly

Dual Dolly with 32 gallon (trash can not provided)

23 gallon Slim Jim

Food composting service for limited areas only

30, 20 & 10 gal compost

7 gallon compost

3 gal compost pail (great for breakroom or kitchen)

3 & 7 gallon

6 gallon

14 gallon

BUSINESS & SCHOOL RECYCLING

Tours & Presentations

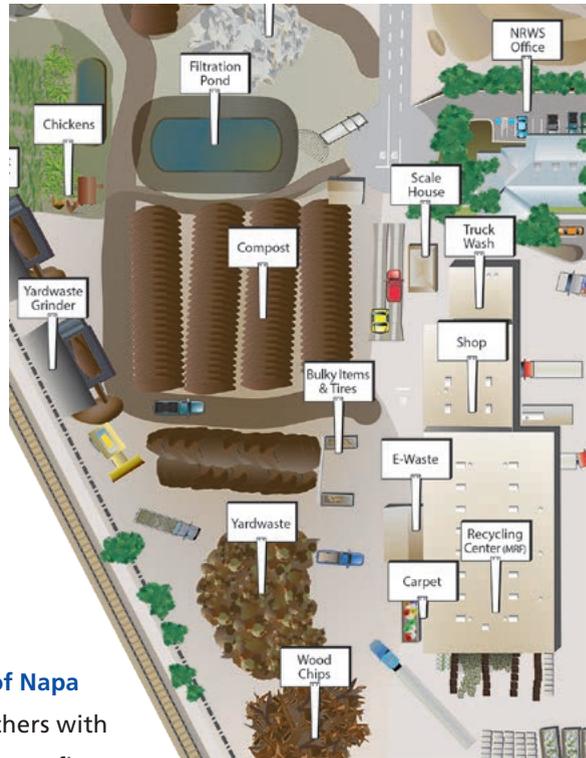

What happens to your recyclables and compostables after you put them in your curbside carts?

We invite individuals from your organization, business or school to take a tour and see our recycling and composting facility first-hand. We are also available for presentations about the economic and environmental benefits of recycling – we'll modify our presentation to make it age appropriate. To arrange for a tour, call NRWS at 707-255-5200 (south county) or 707-259-8330 for Up-Valley.

The Environmental Education Coalition of Napa County connects teachers with local agencies and nonprofits that provide local environmental education opportunities including field trips, guest speakers, and service projects.

Visit www.napaenvironmentaled.org to learn more.

\$500 stipend now available to City of Napa businesses that complete program

Napa County Green Business Program

The **Napa County Green Business Program** certifies businesses that operate in an environmentally-responsible manner. By offering technical assistance, the County helps local businesses save money by helping them to conserve energy and water, minimize waste, prevent pollution, and shrink their carbon footprint.

The program, part of the California Green Business Network, certifies small and medium sized businesses throughout Napa County. The program also acts as the third party certifier for the Green Winery Program.

To begin the certification process, please visit www.greenbusinessca.org. Once you've created a business profile and registered on the California Green Business Network (CAGBN) online database, please contact:

Deborah Elliott at Deborah.Elliott@countyofnapa.org or 707-259-5969.

CONSTRUCTION & DEMOLITION

SAVE MONEY WITH RECYCLING BOXES

IT'S GREEN TO SEPARATE!

California Green Building Standards Code (CALGreen Code) requires that larger construction and demolition projects reuse or recycle at least 65% of the debris generated. The City of Napa has additional requirements for separation and recovery of certain recyclable materials.

Separate these materials for reduced rates:
carpet, concrete, asphalt, dirt, wood, metals, drywall, pomace, and yard trimmings

Why pay full price for a **LANDFILL** box when you can get the same size box for **SEPARATED MATERIALS** for a fraction of the cost?

Boxes for curbside recyclables (single-stream recycling, cardboard, etc.) are free for NRWS/NCRWS customers. Prices vary for other service providers.

* Comparison only using City of Napa rates, actual costs will vary

Call your local service provider for details and pricing in your area.

FACILITIES TAKING THESE SEPARATED RECYCLABLE ITEMS

Please call for rates.

Appliance Efficiency Incentives

COMMERCIAL CLOTHES WASHERS City of Napa laundry businesses and apartment complexes can take advantage of a free program to replace high-efficiency commercial clothes washing machines. Details available at www.cityofnapa.org/water.

REFRIGERATORS, FREEZERS & ROOM AIR CONDITIONERS Pacific Gas and Electric Company (PG&E) customers may qualify for a rebate by recycling old refrigerators, freezers and room air conditioners. Refrigerators or freezers must be at least 10-30 cubic feet each, empty and working. There is a limit of two units per household per year. The pick-up service is free. Qualifying customers may receive a rebate in 6-8 weeks for each unit. Funding is limited. For details or to schedule an appointment: visit www.pge.com/res/rebates or call 800-299-7573.

TOILETS City of Napa residential water customers can take advantage of generous financial incentives to replace pre-1992 water-wasting toilets (3.5 or more gallons per flush) with today's high-efficiency toilets, some of which use as little as 1 gallon per flush. Visit www.cityofnapa.org/water for details or call the City of Napa's **Water Conservation Specialist** at 707-257-9497. Commercial customers may obtain Smart Rebates from the City of Napa for High-Efficiency Toilets and Urinals.

City of American Canyon will reimburse up to \$100 for every qualifying standard toilet removed and replaced with a high-efficiency toilet. Call the City of American Canyon's **Environmental Services Group** at 707-647-5325 for more details, as well as info about free low-flow shower heads and sink aerators.

City of Calistoga will reimburse water customers up to \$100 for replacement of a pre-1992 (3.5gpf) toilet with an EPA WaterSense labeled toilet using 1.28gpf or less — maximum two rebates per household. Water customers may obtain free high efficiency shower heads, faucet aerators, shower timers, etc. by contacting the Calistoga Public Works Department at 707-942-2828.

BUYBACK & DROP-OFF LOCATIONS

California Beverage Container Recycling Program

Glass, aluminum & plastic beverage containers labeled **CRV** (California Refund Value) can be redeemed at designated centers for:

- 5¢ per container under 24 oz
- 10¢ per container 24 oz and above.

Recycling centers are allowed to pay by weight as a matter of business efficiency, however California law allows the option of being paid based on count for up to 50 containers of each material type.

Non-CRV glass, metal and plastic beverage containers are accepted for recycling at most drop-off recycling locations.

For more information: www.calrecycle.ca.gov/BevContainer

Who owns your recyclables?

Recyclable materials at your workplace or home belong to you. You may choose to take your cans and bottles to a recycling buyback center or put your recyclables in the recycling equipment provided by your service provider for regularly scheduled pickup.

Once those materials are in the recycling cart or bin, only you or your service provider have the right to remove them. The recyclables have value, and the revenue your service provider receives from processing recyclables is taken into consideration when garbage collection rates are set.

RECYCLING AT SPECIAL EVENTS

Look for recycling containers at fairs, concerts or other public events!

Want to recycle at YOUR event? Resources are available to help you succeed.

During the planning process, call **NRWS at 707-255-5200** (*south county*) or **707-259-8330** for **Up-Valley**. They will help you select the right recycling, composting and trash containers for your needs and provide guidelines for successful event recycling.

State and County policies require recycling at large events. Plus, recycling will save you money because there is no charge for recycling at large events (*south county and north county free services vary*) ... while there is always a charge for trash collection.

✓ PLAN FOR RECYCLING

- Include a plan for recycling as you organize your event.
- Recycle, compost and landfill containers should always be together.
- Proper placement and signage for all containers is key.
- Have cleanup staff monitor containers throughout the event. Paying for assistance during this critical time is a worthwhile investment.

Learn more:

Check the *Guide to Recycling at Special Events* at: www.NapaRecycling.com/special-events

MAKE IT A ZERO-WASTE EVENT!

Food Composting

Visit www.NapaRecycling.com or call **707-255-5200** to compost at your event

Free curbside pickup of e-waste...and more!

RECYCLE MORE

JOIN NAPA TO RECYCLE

We now accept household batteries in clear, sealed bags when combined with other items.*

Free curbside pickup of electronics, metal appliances, large scrap metal, used clothing and shoes.

Your free curbside pickup is by appointment only and not part of your regularly scheduled NRWS services.

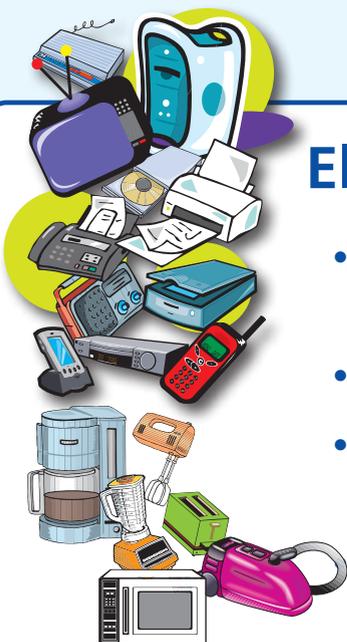

For program details or to schedule an appointment, please visit www.NapaRecycling.com/recycle-more or call 707-255-5200.

Where does Napa's e-waste go?

To Electronics Recyclers International, Inc (ERI) in Fresno. ERI has multiple certifications from national and international organizations for managing products using the most environmentally sustainable technologies and practices. Learn more at www.electronicrecyclers.com.

Here are a few of ERIs certifications:

Electronics Include:

- **COMPUTER EQUIPMENT:** computers, modems, keyboards, printers, scanners, cables, & mice.
- **TELEVISIONS, COMPUTER MONITORS & FLAT SCREENS**
- **OFFICE EQUIPMENT:** telephones, fax machines, & copiers. Please remove toner and recycle separately.
- **CONSUMER ELECTRONICS:** VCRs, tape players, stereo equipment, radios, CDs, cell phones, power cords, etc.
- **HOUSEHOLD APPLIANCES:** microwaves, blenders, food processors, toasters, vacuums, coffee makers, Christmas light strands, etc.

Computer Donations

Help schools and non-profits by donating unwanted computers and equipment. Some restrictions apply.

For more information:

Global Stewards
www.globalstewards.org/donate-computers.htm

Interested in erasing personal information off of your computer? Many online guides are available to help.

Cell Phones

Cell phones and their batteries are accepted anywhere they are sold. Otherwise, donate to a school or charity.

Visit the internet and search for "cell phone donation" for more information.

Toner & Ink Cartridges

Most toner & ink jet cartridges can be sent back to the manufacturer free of charge. They are also accepted at the following businesses:

Goodwill
1683 W. Imola Ave; 707-252-1197; www.gire.org

Healthquest Fitness Center
3175 California Blvd, 707-254-7200

Office Depot
211 Soscol Ave, 707-258-0280

Staples
3325 Jefferson St, 707-258-1490

♻️ Look for remanufactured & refurbished cartridges ♻️

Please do not throw e-waste into the trash — it is illegal in the State of California.

BATTERIES & FLUORESCENT BULBS/TUBES

The City of Napa's **LIGHTING EFFICIENCY & SAFE STEWARDSHIP (LESS) PROGRAM** promotes **FREE** safe disposal of home-generated fluorescent bulbs and tubes (maximum 4 ft.).

***Businesses:** See page 14 for local options or check www.lamprecycle.org or www.almr.org for providers who manage business-generated fluorescent tubes.

Using fluorescent bulbs and tubes

- ✓ Saves Money
- ✓ Saves Energy
- ✓ Reduces Waste

Fluorescent bulbs are up to four times more efficient than incandescent bulbs and last up to ten times as long.

Don't trash your fluorescents — It's illegal!

Mercury poses a risk to people and the environment.

CURBSIDE RECYCLING Used Motor Oil and Filters

Call to receive a recycling container and oil filter bag. Must call ahead each time for pickup on your regular service day.

NRWS/NCRWS: 707-255-5200
Upper Valley Disposal & Recycling: 707-963-7988
Recology American Canyon: 707-552-3110
(Oil filters are not collected)

No charge to households subscribing to recycling and trash service

Need to Get Rid of an Old Car?

Many organizations will accept your vehicle as a tax-deductible donation. Restrictions may apply. Look under "Charitable Organizations" in the yellow pages or check the internet for more information.

Need to recycle tires? See page 7.

HAZARDOUS WASTE

Improper and illegal disposal can contaminate our drinking water, impede waste water treatment plants, pollute local waterways and endanger workers.

It can also lead to penalties and fines.

See page 22, location #3

HAZARDOUS WASTE COLLECTION FACILITY FOR SAFE DISPOSAL

**Every Fri & Sat;
9am-4pm**

**For more information call:
1-800-984-9661**

The **Hazardous Waste Collection Facility** is for safe and legal disposal of unusable or unwanted hazardous products. Please remember to pack products carefully so they won't mix or spill. Transport in trunk if possible. The facility accepts all types of hazardous waste except: Radioactives • Explosives • Ammunition.

For highway safety, there is a legal limit of 15 gallons or 125 pounds of hazardous waste per trip.

Households: No appointments or fees for use • **Businesses:** Appointment only; fees charged

Protect your business and employees by disposing of unwanted, unused, and out-of-date hazardous waste properly.

EXAMPLES:

HOME:

- Polishes & cleaners
- Oven cleaners • Drain openers
- Lighter fluids
- Unwanted medications • Used syringes
- Mercury thermometers • Cosmetics
- Fluorescent lamps/tubes
- Rechargeable or alkaline batteries

GARDEN OR LANDSCAPE:

- Fungicides • Insecticides
- Herbicides • Pool chemicals

GARAGE OR WORKSHOP:

- Latex & oil-based paints
- Paint thinner & strippers
- Wood preservatives
- Grease & rust solvents
- Wood & metal cleaners
- Glues & cements • Photo chemicals
- Antifreeze • Transmission fluids
- Gasoline & fuel additives
- Carburetor cleaners • Batteries
- Used oil & oil filters

HAZARDOUS WASTE DISPOSAL FOR BUSINESSES

Businesses that generate less than 220 lbs. or 27 gallons of hazardous waste per month can dispose of their waste at the Hazardous Waste Facility. Appointments are required and there is a fee for this service. For appointments and information:

1-800-984-9661

Businesses that generate hazardous wastes are required to obtain a Hazardous Waste Generator Permit. Call Napa County Planning, Building & Environmental Services at 707-253-4471 for information.

Medications and Sharps (USED NEEDLES, SYRINGES AND LANCETS):

Home-generated only – no business wastes

Medications and Sharps (no controlled substances allowed):

- **Hazardous Waste Collection Facility** (see above)
- **Medications Only** (controlled substances allowed):
- **Vasconi's Pharmacy:** 1381 Main St, St. Helena, 963-1444

Sharps Only:

- **Ole Health** (3 locations)
 - Napa: 1141 Pear Tree Lane, 707-254-1770;
 - St. Helena: 1222 Pine St, Ste A 707-963-0931
 - Calistoga: 911 Washington St, 707-709-2308
- **Napa County Health and Human Services Agency**
2751 Napa Valley Corporate Drive, Napa, 707-253-4270
Bldg B, Public Health Immunization Clinic
- **Clover Flat Landfill**
4380 Silverado Trail, Calistoga; 707-963-7988
- **Napa County Animal Shelter** (animal sharps only)
942 Hartle Court, Napa, 707-253-4382

Napa Sanitation District will give you a free digital thermometer when you bring your old mercury thermometer to the office at 1515 Soscol Ferry Road, Napa

For more information on how to properly dispose of syringes, lancets and other sharps, please contact Napa County Public Works at 707-253-4094 or visit www.NapaRecycling.com.

REDUCE TOXIC WASTE

Is your unwanted product in good condition?

Could it be used by someone else? Don't let it sit on your shelf! At the Hazardous Waste Collection Facility they'll decide if your product can go to the "Reuse Locker" where someone else can use it up instead of wasting it.

Unwanted hazardous waste is very expensive to dispose. A better option for both your budget and the environment is to prevent the "waste" from the start.

- 1) **Buy the right product for the job.** There is no magic bullet! What do you want the product to do?
- 2) **Buy the least toxic alternative.** To minimize negative impacts to people/pets/the environment.
- 3) **Buy only the amount you need or can use up.** Will you be able to use up the "jumbo" or "bargain" size product before the expiration date?
- 4) **Store the product properly so it doesn't become unusable.** Keep in a covered, dry, safe place.

Paint Recycling PaintCare.org operates a paint stewardship program to ensure convenient

locations for recycling paint product(s) including: interior and exterior house paints, deck coatings, primers, sealers, stains, shellacs, lacquers, varnishes, and urethanes. Deliver products in their original containers (5 gallon maximum) and a maximum of 20 gallons total per trip. **PLEASE CALL AHEAD to ensure the site has enough storage space to accommodate your paint.**

Visit www.paintcare.org to learn more about the "Paint Smarter" program.

Clover Flat Landfill

OUR WATER OUR WORLD

Choose less toxic pest management products for your home and garden at Napa County stores.

Below are Napa County participating stores.

Napa: Van Winden Garden Center
Zeller's Ace Hardware • Home Depot
Central Valley Builders Supply

St. Helena: Central Valley Builders Supply • Steve's Hardware

Calistoga: Silverado Ace Hardware

American Canyon: Mid City Nursery

In each store look for:

- **User-friendly Fact Sheets** on common pests & less toxic ways to control them including product recommendations
- **Tags** on store shelves to help you find the less-toxic products recommended

Online:

- www.OurWaterOurWorld.org offers information about pesticide use and the impact of pesticides on the environment.

REDUCE • REUSE

Shopping Bags

Plastic bags litter the environment, use up valuable resources, fill up landfills and contaminate recycling.

Please strongly consider using reusable bags. Visit www.IGotMyBag.org for tips.

Plastic Bags

Napa's **Single-Use Bag Reduction Ordinance** includes:

- A ban on plastic carryout bags at retail locations in the city
- A 10-cent charge to customers for large paper bags

California passed the nation's first statewide ban on single-use plastic bags in 2016.

For more information, visit www.cityofnapa.org/plasticbag

Clean plastic bags can be recycled at some grocery stores, retailers and drug stores. You can also include other film plastics such as:

produce bags • dry cleaning bags • newspaper liners
ziplock bags • bubble wrap, etc.

Please do not put any of these plastic film items in your recycling cart!

Reduce Junk Mail

- Decline promotional mail when you buy from catalogs, online or by phone
- Log on to www.catalogchoice.org to stop receiving unwanted catalogs
- Visit www.dmchoice.org to reduce junk mail by 80%
- Opt out of credit card and insurance offers at www.OptOutPrescreen.com
- Opt out of phone books at www.yellowpagesoptout.com
- Check www.stopjunkmail.org for sample letters and additional tips
- Sign up for services (for a small fee) at a website that will remove your name from mailing lists
- Visit www.NapaRecycling.com for links and more information

Please note: some processes will take up to 90 days to take effect, and others will need to be updated periodically.

Food Donations

40% of food is wasted in this country. Fight this waste and lend a helping hand...donate.

The following organizations accept non perishable and prepared food. Please no outdated canned goods or open containers. You must call ahead to make arrangements for prepared and/or perishable food donations. The Good Samaritan Law protects you from liability.

Napa Valley Food Bank – 707-253-6128

The Table (First Presbyterian Church) – 707-224-8693

Salvation Army – 707-226-8150

California Human Development Farmworker Center – 707-696-1132

Puertas Abiertas – 707-224-1786

Suggested Items:

- Canned Meat
- Nuts
- Canned Vegetables
- Canned Juice
- Rice
- Peanut Butter
- Baby Food
- Tuna
- Pasta or Noodles
- Canned Fruit
- Beans
- Macaroni & Cheese
- Cereal
- Soup

Styrofoam & Packaging Reuse

Napa Drop-off locations

Buffalo's Shipping Post, 2471 Solano Ave, 707-226-7942

Foam peanuts, clean flat foam sheets, plastic air pillows

All American Mail Center, 1370 Trancas Ave, 707-255-7595

Foam peanuts, plastic bubble wrap, plastic air pillows

Cartons & Crates, 3250 California Blvd 707-224-7447

Foam peanuts, foam wine shippers, foam sheets (clean, flat shaped), plastic bubble wrap, plastic air pillows, freezer packs (clean, without leaks). Please call ahead.

The UPS Store, 4225 Solano Ave, 707-258-2454

Foam peanuts only, plastic bubble wrap, wine shippers.

Avoid messy and wasteful Styrofoam by packing instead with reused newspaper, cornstarch peanuts, or other earth-friendly methods.

Clothing, Furniture and/or Book Donations

PICK-UP: Call to schedule an appointment for pick-up from your home or office.

Goodwill: 707-253-0550; www.gire.org

CLOTHING & BOOK CURBSIDE PICK-UP

City of Napa (NRWS) customers may make appointment by visiting www.naparecycling.com/recycle-more or calling 707-255-5200.

DROP-OFF: Clean/working/reusable items can be dropped off at the following local locations – please call or check their websites for details on what they do and do not accept.

NAPA

American Cancer Society Discovery Shop
1380 Trancas Street, 707-224-4398

The www.calmax.org website has a listing of useful links.

DEVLIN ROAD Reuse & Recycle Center

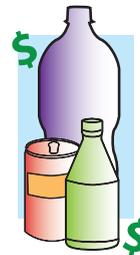

889B Devlin Road, American Canyon
707-258-9018; Daily 8:30am–3:30pm

See page 22, location #2

RECYCLE

Aluminum, tin, plastic, glass, cardboard, mixed paper, & scrap metal are accepted.
(\$\$ paid for CRV materials and scrap metal.)

REUSE

Drop off reusable items in good condition or...

Browse the yard and see if anything catches your eye. The center has:

- Building materials (doors, windows, cabinets, sinks, tubs, toilets, pipes, lumber, nuts/bolts, spas, tools)
- Furniture (such as chairs, bookshelves, lamps, tables)
- Clothes, shoes, books & housewares
- Lawn & garden items (lawn mowers, rototillers, pots, grape stakes) AND MORE!

All items dropped off for reuse are subject to approval.

You won't find better prices anywhere!

COMPOST: a natural choice

- Enrich your soil naturally
- Fight global warming
- Prevent erosion
- Conserve water
- Close the loop
- Save money

Napa's local compost is perfect for vineyards, farms, gardens, yards and landscaping projects.

TO PURCHASE BULK COMPOST OR TOPSOIL:

Napa Recycling & Composting Facility

CONSERVE RESOURCES

HOME COMPOSTING WORKSHOPS

LEARN to reduce and eliminate yardwaste and turn it into wonderfully rich, free compost for your garden.

DISCOVER the basics of backyard composting and composting with worms.

BECOME familiar with tools, types of bins and the ins and outs of composting yard trimmings, and even some food scraps.

BE INFORMED about **GRASSCYCLING**. Grass clippings release valuable nutrients back into the soil.

For compost troubleshooting or gardening questions, call

Napa County UC Cooperative Extension
Master Gardener Program
707-253-4221

M-W-F 9 am–Noon or visit
<http://napamg.ucanr.edu>

SIGN UP FOR A FREE WORKSHOP

Check your garbage bill inserts early in the year for a registration form or sign up online at www.cityofnapa.org/compost.

For questions about workshops/registration call 707-257-9200.

FREE
WORKSHOPS

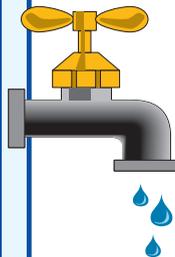

Water-Wise Landscaping

Learn the basic principles of water-wise landscaping and discover the importance of soil type, amendments, and mulch. Take control of your irrigation controller, solve the mysteries of drip irrigation, and select drought-tolerant plants for your garden!

The City of Napa offers an annual **Water-Wise Landscaping Workshop Series** for residents interested in saving on water bills while beautifying their properties. For details, check your garbage bill inserts and *The Reservoir* newsletter in your water bill, or call 707-257-9309. Be sure to visit www.cityofnapa.org/water for the latest smart irrigation and water-wise landscape rebate programs, including the "Cash For Grass" Turf Replacement Rebate offered by several area cities.

WATER-WISE HOME & BUSINESS SURVEYS

The City of Napa offers this free service to help its residential and commercial water customers use water more efficiently and reduce their bills. A water conservation specialist will visit your site to:

- Check for leaks and recommend repairs
- Check toilet flush volumes
- Check faucet and shower head flow rates
- Evaluate all other water-using appliances and equipment
- Provide free water-saving fixtures if needed and identify applicable rebates
- Inspect your irrigation system and recommend improvements
- Advise you on irrigation scheduling

Call 707-257-9497 today to schedule your free Water-Wise Survey!

Cooking Oil

**Cooking oil should not go down the drain!
Recycle it for biodiesel instead!**

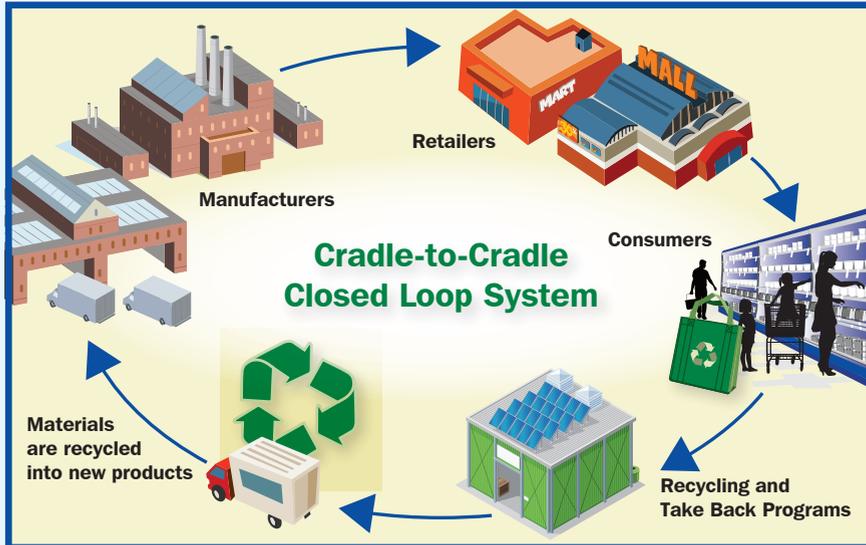

Take your cooking oil to the **Devlin Road Reuse & Recycle Center** (see page 22, location #2) or **Clover Flat Landfill** (see page 21). Large commercial generators can check www.NapaRecycling.com for a list of service providers.

Free curbside pickup!

Call NRWS at 707-255-5200 to receive a container.

BUY RECYCLED to CLOSE THE LOOP

Collecting recyclables is just the beginning. To **Close the Loop** they must be used to manufacture new products.

Benefits of Buying Recycled

- Reduce the extraction of virgin materials
- Save energy, decreasing the need for coal, oil or other non-renewable energy resources
- Create new enterprises, markets & jobs
- Reduce air and water pollutants; manufacturing with recycled materials is a much cleaner process
- Create a greater demand for manufacturers to use recycled materials
- Help California reach its mandated recycling goal of 75% and reach toward Zero Waste.

The California Product Stewardship Council advocates for policies that require product manufacturers to take responsibility for recycling or disposing of the products they make. [Learn more about producer responsibility and how you can play an active role at www.calpsc.org.](http://www.calpsc.org)

Examples of Products Made with Recycled Materials

Aluminum & other metals: appliances, cans, building materials, furniture

Glass: bottles, kitchenware, mosaics, tile flooring, fiberglass insulation

Laser & inkjet cartridges: refurbished cartridges

Paint: recycled content latex paint

Paper: office/printing paper, chipboard, cardboard, paper towels, toilet paper, tissues, insulation, hydraulic mulch (*usually mixed with seed for highways*), absorbents

PET plastics (clear bottles): bottles, tote bags, t-shirts, office products, fleece jackets, blankets, athletic wear, carpet, automotive parts

Plastics: poly-wood (*decking*), playground equipment, picnic tables, planter boxes, office materials, landscaping materials (e.g. lawn edging, fence posts, garden hose), bins & buckets, street barricades & cones, carpet, paint

Textiles: canvas bags, t-shirts, polo shirts, absorbents

Tires: flooring, floor mats, walking paths, shoes, mousepads, roofing, soil enhancements, tires (2%-6%), arena footing

Used cooking oil: biodiesel

Used motor oil: re-refined motor oil

Yard trimmings, food scraps & wood: wood chips, compost & mulch, topsoil, absorbents, renewable fuel

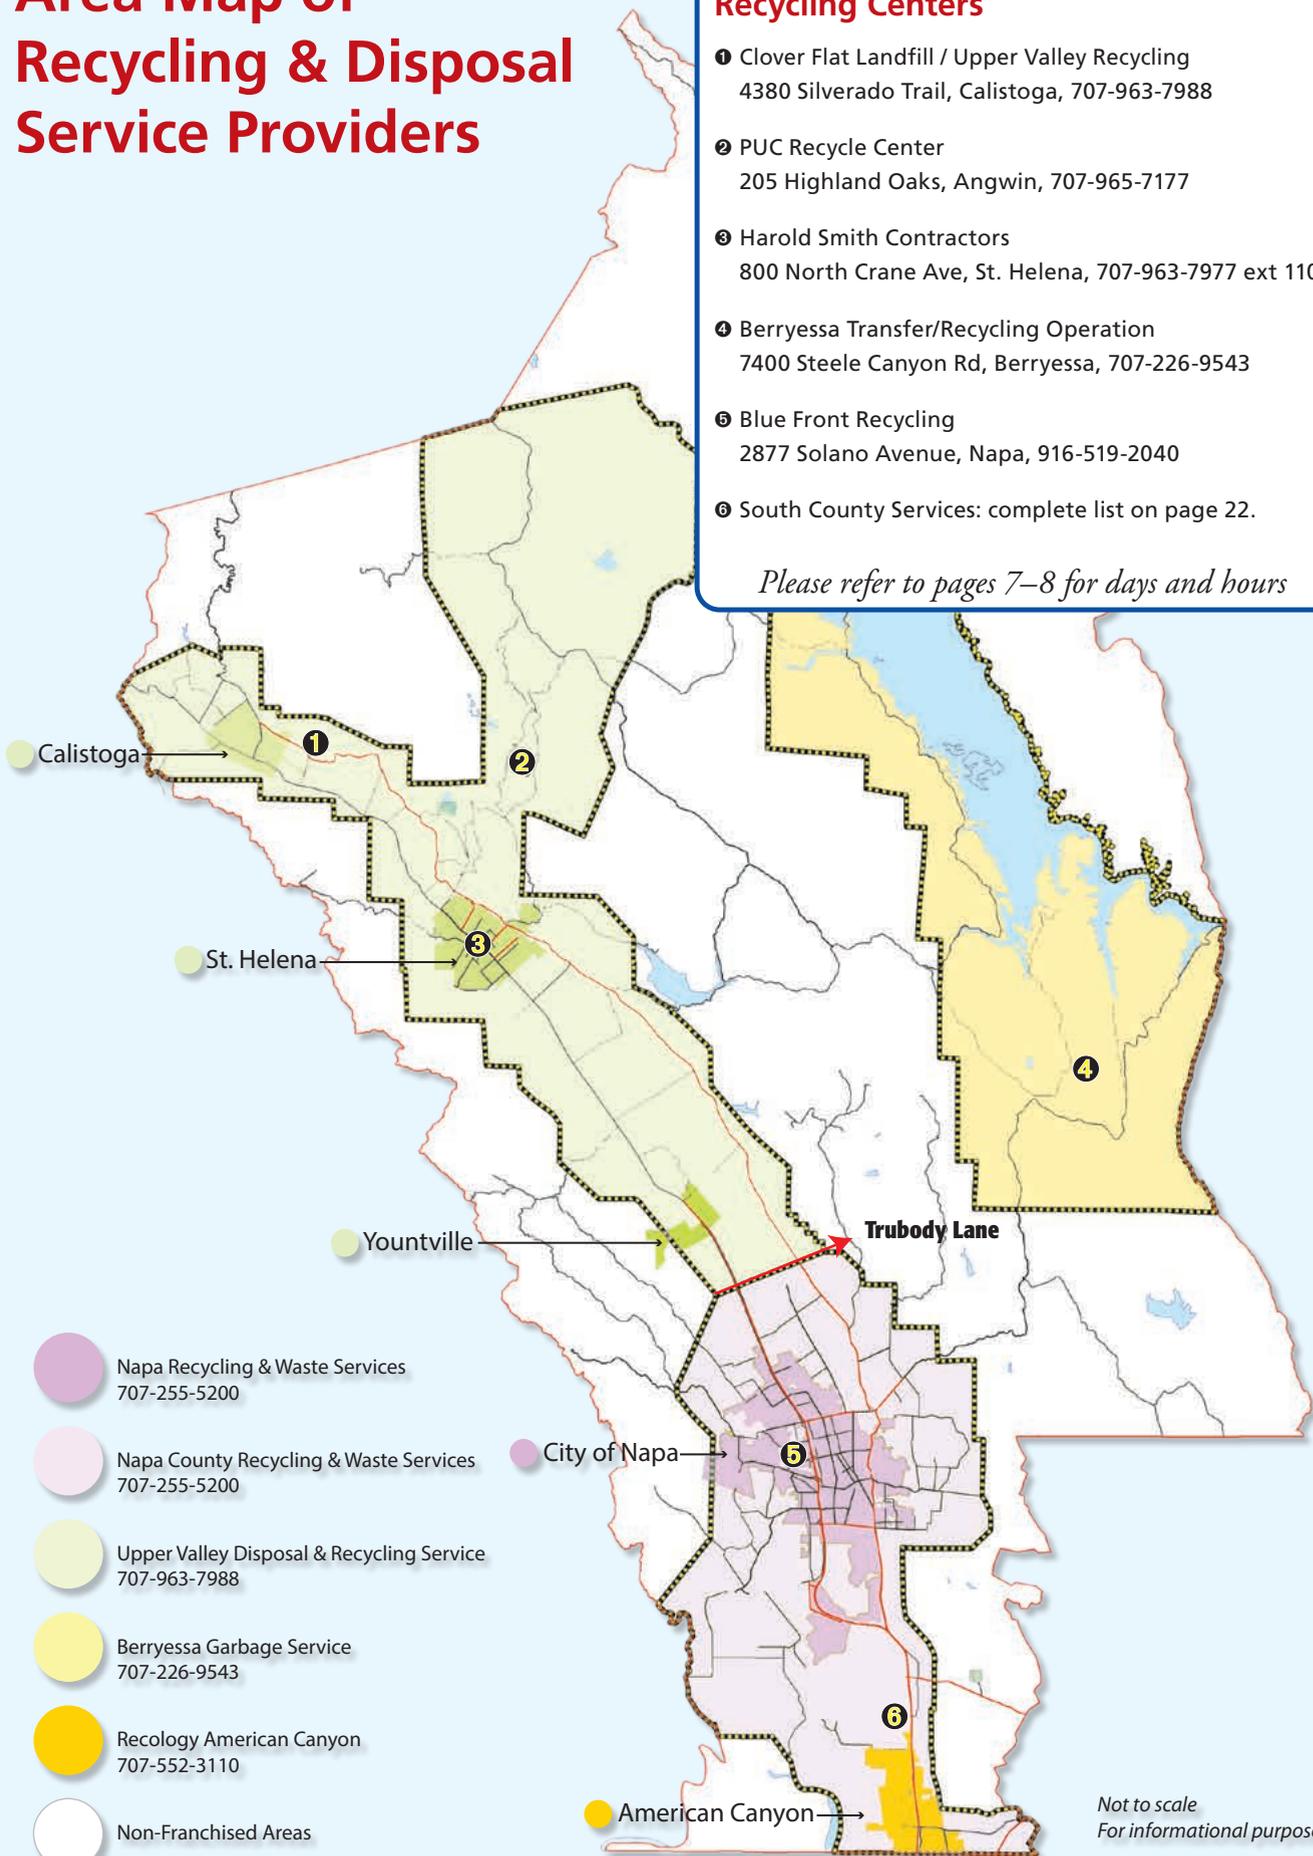

Check out Recycled Product Directories at www.NapaRecycling.com
