

## RELATIVE NOTIFICATION QUESTIONNAIRE

The Probation Department is required by Public Law PL 110-351 to exercise due diligence to identify and engage relatives of youth placed in out of home placement.

In accordance with WIC Section 319(f)(3), you are required to disclose to the probation officer the names, residences, and any known identifying information of any maternal or paternal relatives of the minor.

The information requested below is necessary so we may contact your child(s) relatives and let them know he/she is being placed in out of home care. No additional information will be provided about your child's case. We will only be determining if the relatives would like to maintain contact, if appropriate, with your child. Please do not include any relatives who have a history of family or domestic violence.
