# Deferred Electrical Worksheet

This form must be utilized to satisfy the requirements for your deferred electrical submittal. Depending on your project, additional material may be required. **This deferral must be submitted to our office and approved by the Building Official prior to the work being done in the field.** Electrical inspections will not be approved without completing the requirements of the deferred submittal. Please fill out BOTH SIDES of this form completely. For assistance refer to the current editions of the CEC and CBC as necessary
