SEWAGE SYSTEM CONTRACTORS

This list has been compiled as a convenience. The County of Napa makes no recommendations. When proposed work calls for a licensed sewage Contractor, the parcel owner can choose any Contractor as long as they hold one of the following designations on their license, General A, C-36 or C-42. Contractor licenses can be checked on the State of California website, <https://www2.cslb.ca.gov/onlineservices/checklicenseII/checklicense.aspx>
