

GRANT FUNDING BY YEAR

Total Funds Granted To Date Since 2002: \$908,933

Mtg Date	Organization	Description	Requested	Granted
Fiscal Year 2022-2023				
August 15, 2022	CDFW	Purchase electric motor to facilitate wardens gaining access to shallow ponds in Napa Marsh to enforce compliance checks on waterfowl hunters	\$4,376	\$4,376
	International Bird Rescue	Rescue and rehabilitation of 50 or more aquatic birds from Napa County 2021-2022	\$4,500	\$4,500
	Land Trust of Napa County	Hire conservation crews to enhance CRLF habitat at Wragg Ridge Preserve, and to remove invasive goat grass	\$11,520	\$10,375
	Napa County Resource Conservation District	Monarch Habitat project materials & technical assistance	\$14,050	\$10,375
	Napa Wildlife Rescue	50% funding for Wildlife Rehabilitation Technician/Education Assistant position	\$20,280	\$10,375
	Napa-Solano Audubon	Part-time Education Coordinator; part-time College Intern	\$10,000	\$10,000
			\$64,726	\$50,001
Fiscal Year 2021-2022				
August 30, 2021	ICARE	Analysis of 2020-2021 Napa River Collaborative Water Quality and Bio-Assessment Sampling Project and preparation of final Bio-Assessment Report.	\$10,000	\$8,000
	International Bird Rescue	Rescue and rehabilitation of 50 or more aquatic birds from Napa County 2021-2022	\$4,900	\$4,000
	Land Trust of Napa County	Hire two ecological restoration crews to remove invasive species at Aetna Springs Preserve	\$14,500	\$10,000
	Napa County Resource Conservation District	Purchase project materials and provide technical assistance for Monarch Habitat project	\$9,936	\$8,000
	Napa Wildlife Rescue	Support part-time Education Coordinator	\$14,218	\$13,000
	Napa-Solano Audubon	Support part-time Education Coordinator	\$7,000	\$7,000
			\$60,554	\$50,000
Fiscal Year 2020-2021				
August 31, 2020	ICARE	Napa River Collaborative Water Quality and Bio-Assessment Sampling Project - Collect water quality, algae and benthic macro-invertebrates (BMI) samples from Napa River tributaries for database of raw data for information and education.	\$5,000	\$4,500
	International Bird Rescue	Rescue and rehabilitation of 50 or more aquatic birds from Napa County in 2020-2021	\$4,900	\$4,500
	Land Trust of Napa County	Design, produce and install signage at Missimer Snell Valley Preserve, including educational interpretive signs and restoration area boundary signs	\$6,955	\$6,500
	Multiplier/ Pope Creek Weed Project	PCWP is a wildlife habitat restoration project under Multiplier. Funds to hire native plant specialist to develop restoration plan to restore native vegetation to areas formerly occupied by invasive plants, and locate and flag sensitive plants that need to be avoided.	\$13,800	\$8,000
	Napa County Resource Conservation District	Facilitate Napa Youth Stewardship Council, an extracurricular environmental stewardship leadership club for up to 10 Napa County high school youth during 2020-2021 school year	\$6,844	\$6,844
	Napa Wildlife Rescue	Install perimeter fencing on three sides of the new property at 4001 Middle Avenue and repaint exterior of the main building	\$16,115	\$8,169
			\$53,614	\$38,513
Fiscal Year 2019-2020				
July 8, 2019	Audubon Canyon Ranch	Sustain monitoring of herons and egrets in Napa County nesting sites through Heron and Egret Project.	\$9,075	\$7,000
	California Department of Fish and Wildlife	Three depth finders to improve game warden patrol abilities of the Napa River, Lake Berryessa, and the sloughs associated with the Napa/Sonoma Marsh	\$6,140	\$5,000
	Friends of the Napa River	Facilitate Napa County Streamflow Watch, a citizen science data collection program that will begin collection of simple but extensive, quality-controlled, scientifically-defensible data on dry-season streamflow in the Napa River watershed	\$12,000	\$4,200
	International Bird Rescue	Rescue and rehabilitation of 40 or more aquatic birds from Napa County for 2019-2020	\$5,000	\$4,500
	Land Trust of Napa County	Purchase a Utility Task Vehicle to be used for Land Trust's preserve stewardship and conservation easement monitoring programs	\$12,000	\$8,000

GRANT FUNDING BY YEAR

Mtg Date	Organization	Description	Requested	Granted
	Meghan Walla-Murphy	Help mitigate potential nuisance bear situations by developing a black bear website, create a black bear map, and create and implement a black bear community science program	\$4,900	\$1,300
	Napa County Resource Conservation District	Facilitate Napa Youth Stewardship Council, an extracurricular environmental stewardship leadership club for up to 20 Napa County high school youth during 2019-2020 school year	\$12,340	\$12,000
	Napa-Solano Audubon	Hire a 50% Environmental Education Coordinator for the 2019-2020 school year to operate the Climate Action and Plants for Birds programs, classroom outreach, field trips, and community science programs.	\$9,000	\$7,000
			\$70,455	\$49,000

Fiscal Year 2018-2019

July 9, 2018	Napa-Solano Audubon	Continued funding for environmental educator to lead Beginning Birding walks, and manage and coordinate citizen science projects	\$8,000	\$8,000
	Land Trust of Napa County	Post-fire ecological monitoring, restoration, and erosion control at Foote Botanical Preserve	\$13,000	\$13,000
	Napa County Resource Conservation District (RCD)	Napa Youth Stewardship Council facilitation, including conducting stewardship projects with NYSC members and increasing student awareness	\$13,717	\$13,717
	Napa Wildlife Rescue	Funding for (1) part-time education coordinator to manage outreach coordination and event presentations and assist during events, and (2) new large incubator for opossum babies	\$14,040	\$14,040
			\$48,757	\$48,757

Fiscal Year 2017-2018

July 10, 2017	Napa-Solano Audubon	Continued funding for environmental educator to lead Jr bird walks, mentor small groups, organize annual Christmas Bird Count for Kids (CBC4Kids), and creek monitoring; expand program to include Beginning Birding Walks	\$7,000	\$6,980
	Friends of the Napa River	River Classroom Watershed Education Program	\$10,000	\$10,000
	Land Trust of Napa County	Continued restoration of Missimer Preserve - invasive species removal	\$16,599	\$12,720
	Napa County Resource Conservation District (RCD)	Replacement of salmon tracking antenna on Napa River	\$6,076	\$6,076
	Napa Wildlife Rescue	Laptop computer and 6 new retractable banners for education/outreach	\$2,500	\$2,500
	Napa County Regional Park & Open Space District (NCRPOSD)	Napa Girls Outside (Napa GO!) program to encourage and facilitate girls enjoying the outdoors and grow female conservationists, biologists, and environmental leaders	\$4,000	\$4,000
		Total	\$46,175	\$42,276

Fiscal Year 2016-2017

June 6, 2016	Napa-Solano Audubon	Continued funding for environmental educator to lead Jr bird walks, mentor small groups, and organize annual Christmas Bird Count for Kids (CBC4Kids); expand program to focus on creek monitoring	\$7,780	\$7,780
	California Turn In Poachers and Polluters (CalTIP)	Rewards for secret witness program to facilitate enforcement of Fish and Game code in Napa County	\$1,000	\$1,000
	Land Trust of Napa County	American Conservation Experience (ACE) crews to remove invasive species from Missimer Preserve	\$13,018	\$13,018
	Napa County Regional Park & Open Space District (NCRPOSD)	Napa River and Bay Trail interpretive signs (~15 signs)	\$5,800	\$5,800
	Napa County Resource Conservation District (RCD)	LandSmart Youth Stewards	\$15,000	\$15,000
	Napa Wildlife Rescue	Improvements to pre-release flight cage, outfit raptor rehab facility, replace songbird clinic trailer intake and rehab, equipment for care of Ambassador hawk	\$16,461	\$16,461
		Total	\$59,059	\$59,059

Fiscal Year 2015-2016

	Dept of Fish and Wildlife	4 scanners and 4 receivers to help locate illegal hunting and fishing and aid in response to life safety situations	\$1,723	\$1,723
--	---------------------------	---	---------	---------

GRANT FUNDING BY YEAR

Mtg Date	Organization	Description	Requested	Granted
May 18, 2015	Friends of the Napa River	Formation of the Napa Youth Stewardship Council, monthly meetings during which students receive support, education, and training to conduct conservation projects. Funding covers project coordinators, materials, transportation, outreach	\$15,000	\$10,000
	Land Trust of Napa County	Linda Falls riparian habitat restoration. Funding covers invasive species removal and native plant installation	\$14,282	\$10,432
	Napa-Solano Audubon	Environmental educator to lead Jr bird walks, mentor small groups, and organize annual Christmas Bird County for Kids (CBC4Kids)	\$11,272	\$10,000
	Napa County Regional Park & Open Space District (NCRPOSD)	Purchase and install 15-20 educational and interpretive signs along Lake Hennessy Birding Trail	\$1,800	\$1,800
	Napa County Resource Conservation District (RCD)	2 kayaks, 2 paddles, 2 life vests, 2 paddling jackets	\$2,500	\$2,500
	Napa Wildlife Rescue	Large raven and crow aviary specially designed for pre-release flight training and exercise	\$10,668	\$6,486
Total			\$57,244	\$42,941

Fiscal Year 2014-2015

May 19, 2014	Napa Wildlife Rescue	Purchase and install 10 22-gallon reptarium cages and 3 100-gallon reptarium cages	\$2,766	\$2,766
	Napa County Regional Park & Open Space District (NCRPOSD)	Purchase and register Yamaha Grizzly 450 4x4 ATV, powered winch, truck bed ramp, knox box, and helmets	\$6,250	\$6,250
	ICARE	Purchase and install 100 native plants; monitor, map, and coordinate restoration sites	\$4,518	\$4,518
	Napa-Solano Audubon	Develop nesting box trails near two elementary schools, develop youth group to participate in nature walks and citizen science	\$1,940	\$1,939
	California Dept of Fish and Wildlife	Purchase 6 moultie trail cameras and 6 memory cards	\$1,600	\$1,600
	Land Trust of Napa County	Riparian habitat restoration in Linda Falls Preserve	\$10,000	\$10,000
	Napa County Resource Conservation District	Lead student groups in educational field trips and tree planting for Acorns to Oaks, develop relationships with landowners to promote oak planting	\$10,450	\$10,450
Total			\$37,524	\$37,523

Fiscal Year 2013-2014

May 20, 2013	Napa Wildlife Rescue	2 CO2 boxes and 2 CO2 canisters/regulators for humane euthanasia, 2 incubators, and 1 medical refrigerator	\$2,867	\$2,867
	Napa County Regional Park & Open Space District (NCRPOSD)	In partnership with the Napa County Resource Conservation District (RCD) for an outdoor classroom at the Napa River Ecological Reserve	\$16,725	\$14,725
	ICARE	Continued exotic plant removal and native plant restoration along Suscol Creek	\$5,836	\$5,336
	Napa-Solano Audubon	Public and classroom education on recently launched "Hummingbirds@home" data collection system	\$596	\$596
	Department of Fish and Wildlife	2 kayaks, 2 turbo kits, 2 outback hatch liners, 1 2-piece paddle, 2 truck racks, 1 security package, 2 rack to canoe straps, 2 personal flotation devices	\$4,050	\$4,050
	California Native Plant Society (CNPS)	Publication of "A Flora of Napa County" to provide accessible resources to teach and learn Napa County plant identification as well as plant characteristics	\$10,000	\$8,000
	Tuleyome	Develop plan to remove/reduce invasive species, determine if there are hydrological or fisheries issues that merit further study, and engage in public outreach with a view toward expanding invasive species eradication efforts	\$5,000	\$4,500
Total			\$45,073	\$40,073

Fiscal Year 2012-2013

May 21, 2012	Napa Wildlife Rescue	One jackrabbit release cage and one songbird incubator	\$3,730	\$0
	Napa Valley State Parks Association (NVSPA, BOTHE)	Establish environmental education summer camp at Bothe State Park to engage students	\$2,810	\$2,810
	Institute for Conservation Advocacy, Research and Education (ICARE)	Continuation of exotic plant removal and native plant restoration along Suscol Creek	\$10,000	\$8,613
	Friends of the Napa River	Re-oaking the valley: supporting environmental education of students about the benefits of oak trees; development of curriculum, classroom materials, class visits, lessons, and field trips about oak woodland restoration; and the development of a framework for an expanded strategic re-oaking effort in the Napa Valley	\$15,235	\$15,235
	Total			\$31,775

GRANT FUNDING BY YEAR

Mtg Date	Organization	Description	Requested	Granted
Fiscal Year 2011-2012				
June 13, 2011	Napa Wildlife Rescue	One pre-release raptor flight aviary	\$15,000	\$5,000
	Napa County Resource Conservation District (RCD)	Analyzing salmonid otoliths and genetics samples to identify origin of local populations and guide conservation and restoration actions	\$22,990	\$16,000
	Audubon Canyon Ranch	Monitoring at existing and new Napa County egret and heron nesting sites	\$5,890	\$4,000
	Napa County Regional Park & Open Space District (NCRPOSD)	Restoration of native habitat, engage students and community groups in habitat restoration and improve interpretative trail.	\$14,000	\$10,000
	Norcal Environmental Student Network	GIS Data production; training students volunteers to create GIS database layers for the benefit of the NCRPOSD to address resource management issues	\$3,300	\$1,100
	Land Trust of Napa County	Development and installation of illustrated ecological signage and trail markers for trail-heads and trails including research for signage locations	\$14,520	\$10,000
	Napa Sanitation District	Native plants for a restoration plan to restore native habitat for aquatic species and wildlife access along Suscol Creek	\$12,460	\$6,000
	ICARE	Exotic plant removal and native plant restoration along Suscol Creek	\$4,000	\$1,333
	San Francisco Estuary Institute (SFEI)	Initiation of a Re-Oaking strategy for Napa Valley	\$8,000	\$2,666
	New Tech High School Teachers	Supplying tools and equipment to participate in oak propagation efforts and for on-going research of oak woodlands	\$4,806	\$1,602
	Friends of the Napa River	Supporting the continuation of their watershed education program through the development of curriculum, classroom materials, class visits, lessons, and field trips	\$5,000	\$5,000
	PBRO Conservation Science (formerly Bay Institute)	Education, continued habitat restoration on the Napa River Wetlands Restoration Project with students from American Canyon Middle School	\$16,000	\$5,333
Total			\$125,966	\$68,034
Fiscal Year 2010-2011				
August 8, 2010	Department of Fish and Game	Enforcement equipment (2 spotting scopes and related accessories)	\$7,550	\$7,550
	CNPS of Napa County	Martha Walker Garden Native Habitat Enhancement & Environmental Education	\$19,525	\$14,000
	CNPS of Napa County	Suscol Creek Grassland and Seasonal Wetland Enhancement	\$10,000	\$8,000
	Napa County RCD	Maintaining the Scott Creek Restoration Project through its second year	\$5,192	\$5,192
	Bay Institute	STRAW (education, wetland habitat restoration) project to conduct habitat restoration on the Napa River Wetlands Restoration Project with students from American Canyon Middle School	\$15,000	\$12,000
	Mt. George Elementary School	Continued environmental education for the 2nd and 3rd grade students of Mt. George Elementary School	\$4,800	\$3,000
	NRCS	Farm Pond Island Habitat Demonstration Project	\$7,700	\$7,700
	Napa Wildlife Rescue	Two pre-release flight aviaries	\$15,000	\$10,000
	Audubon Canyon Ranch	Monitoring at existing and new Napa County egret and heron nesting sites	\$8,700	\$6,000
	ICARE	Exotic plant removal and native plant restoration along Suscol Creek	\$5,000	\$4,000
	Sonoma Ecology Center	Citizen Wildlife Observation System	\$20,635	\$0
	Total			\$119,102
Fiscal Year 2009-2010				
Special Grant Cycle				
April 20, 2009	Berryessa Trails & Conservation	Restoration equipment and associated insurance	\$42,100	\$6,000
	Napa County RCD	Watershed barrier treatment recommendations	\$80,000	\$30,000
	Bioengineering Institute	Selby Creek Restoration & Riparian Revegetation	\$4,500	\$4,500
Total			\$126,600	\$40,500
Regular Grant Cycle				
August 10, 2009	Land Trust	Repair erosion problems at 3 wildlife ponds at Wantrup Wildlife Preserve	\$4,017	\$4,017
	Napa County RCD	Outreach campaign to introduce Napa Residents to Napa River fish communities	\$10,660	\$10,660
	CNPS of Napa County	Improvements to Skyline Nursery/Growing grounds & Martha Walker Habitat Garden	\$11,700	\$11,700
	Mt. George Elementary School	Outdoor Explorers environmental education of 1st through 3rd graders	\$3,000	\$3,000
	Bay Institute	STRAW habitat restoration on the American Canyon Wetlands with Students from AmCan Middle School	\$15,000	\$15,000
	Napa Wildlife Rescue	Medical equipment and volunteer training in rehabilitation of wildlife	\$5,000	\$5,000
	Napa Wildlife Rescue	Assistance in the acquisition of permanent wildlife rescue and rehabilitation center	\$25,000	\$0
Total			\$74,377	\$49,377
Fiscal Year 2008-2009				
	San Francisco Estuary Institute	Napa Valley Historical Ecology Atlas	\$8,000	\$8,000
	California DFG	2 ATVs and 1 ATV Trailer for Monitoring and Enforcement	\$17,073	\$17,073
	CNPS of Napa County	New Computer and LCD Projector for Native Plant Education and Outreach	\$2,500	\$2,500

GRANT FUNDING BY YEAR

Mtg Date	Organization	Description	Requested	Granted
August 18, 2008	ICARE	Exotic plant removal and native plant restoration along Suscol Creek	\$2,500	\$2,500
	Land Trust of Napa County	Repair erosion problems at 3 wildlife habitat ponds at Wantrup Wildlife Preserve in Pope Valley	\$4,000	\$4,000
	Wildlife Rescue Center of Napa County	Corvid bird aviary (rehabilitation)	\$3,800	\$3,800
	Napa County RCD	Rotary Screw Trap for monitoring steelhead and salmon	\$15,000	\$15,000
Total			\$52,873	\$52,873

Fiscal Year 2007-2008				
September 18, 2007	Acorn Soupe	Environmental education program	\$4,000	\$4,000
	Pacific Coast Hunter Education	Laptop computer for hunter education	\$1,400	\$1,000
	ICARE	Exotic plant removal and native plant restoration along Suscol Creek	\$3,000	\$3,000
	California Waterfowl Association	Documentary video	\$3,500	\$2,500
	Land Trust of Napa County	Exotic plant removal in Wantrup Preserve	\$1,979	\$1,979
	Napa County RCD	Invasive species plant removal for riparian enhancement plan	\$7,360	\$2,600
Total			\$21,239	\$15,079

Fiscal Year 2006-2007				
October 2, 2006	California DFG	Deer decoy	\$1,966	\$1,966
	Acorn Soupe	Wildlife Education Program	\$4,500	\$2,000
	CNPS	Greenhead Duck Pond improvement, vegetation removal for fire protection and soil amendments	\$3,000	\$2,700
	Land Trust of Napa County	Exotic plant removal in Foote Botanical & Archer Taylor Preserves	\$3,025	\$1,966
	Napa County RCD	Watershed videography	\$2,868	\$2,868
	CDFG Hunter Safety Education	Computer, wireless mouse, overhead projector for hunter education course	\$2,347	\$500
Total			\$17,706	\$12,000

Fiscal Year 2005-2006				
August 22, 2005	Acorn Soupe	Expansion of children's nature program	\$4,500	\$2,000
	CDFG	New 40 HP Honda 4-stroke outboard motor	\$7,107	\$7,107
	Carolyn Parr Nature Center	Stereomicroscope station	\$850	\$850
	CNPS	Growing grounds and Martha Walker Native Habitat Garden	\$2,135	\$700
	Land Trust of Napa County	Exotic plant removal in Archer Taylor Preserve and pond spillway project in Wantrup Wildlife Sanctuary	\$9,500	\$2,000
	Napa County RCD	Napa River Salmon Monitoring	\$8,100	\$2,000
	Napa Wildlife Rescue	Microscope kit, interior finishing of songbird clinic intake center, repairs/improvements to the songbird clinic annex and construction of jackrabbit run	\$4,000	\$2,000
	McCormick Sanctuary (dba Acorn Soupe)	Wildlife education program	\$7,500	\$2,000
Total			\$43,692	\$18,657

Fiscal Year 2004-2005				
August 23, 2004	Acorn Soupe	Eradicate exotic species in the Rutherford Dust and Salvador Creek	\$7,000	\$7,000
	Napa Wildlife Rescue	Rehabilitation of wildlife	\$4,000	\$4,000
	Napa County Flood District	Wash mat for car washes	\$1,000	\$1,000
November 15, 2004	Acorn Soupe	Expansion of children's nature program	\$2,400	\$2,400
	Land Trust of Napa County	Archer Taylor and Foote Preserves exotic plants eradication	\$2,220	\$2,220
	Napa County Rod and Gun Club	Ammunition for hunter and gun safety education	\$221	\$0
	Land Trust of Napa County	Invasive species removal from Archer Taylor and Foote Preserves	\$28,500	\$28,500
Total			\$45,341	\$45,120

Fiscal Year 2003-2004				
------------------------------	--	--	--	--

GRANT FUNDING BY YEAR

Mtg Date	Organization	Description	Requested	Granted
August 4, 2003	CNPS/Martha Walker Garden	Create wetter habitats within the garden, in order to better complement the existing, more xeric (dry) upslope habitats; enhance populations of native plant and wildlife species and their habitats and improve visitor day use capabilities	\$6,900	\$6,900
	Land Trust of Napa County	Integrated Geographic Information System database for its Biodiversity Legacy Program	\$5,000	\$3,000
	Napa County Flood District	Aquatic Outreach Institute (AOI), Kids in Creeks education program in Napa County	\$6,188	\$3,000
	Napa Wildlife Rescue	On-going operations and establishment, operation and maintenance of a permanent Wildlife Rescue Center	\$10,000	\$3,000
Total			\$28,088	\$15,900

Fiscal Year 2002-2003

October 2, 2002	CDFG	Three (3) sets of Leica-Duovid model binoculars	\$4,150	\$4,150
	Friends of the Napa River	Two-year project surveying steelhead spawning and rearing habitat in the Napa River watershed	\$5,000	\$5,000
November 21, 2002	Quail Ridge Conservancy	Assist in loan and mortgage reduction on a 37-acre parcel south of Lake Berryessa	\$20,000	\$20,000
	Total			\$29,150
