

RESIDENTIAL ADDITION/ALTERATION SUBMITTAL CHECKLIST

Items you will need to submit:

- An active citizen portal account on the [Online Permit Center](#)
- Your plan set should be condensed into one PDF file with all the pages [bookmarked](#). Supplemental documents can be uploaded individually.

Please initiate a submittal application in the [Online Permit Center](#) and select the following scope of work descriptions from the drop down.

- Submittal Applications – Building
 - Building Submittal – Commercial
 - Building Submittal – Residential

Enter your project information and attach the following items. Be sure to select the documents type as identified below. All attachments must comply with [Napa County Electronic Submittal Requirements](#).

PLAN SET

For projects with multiple structures: Napa County permits each structure separately. You may put more than one structure on your plan set, but if you do, be aware that all the permitted structures must be issued at the same time. Please fill out an application for each structure separately and upload to submittal.

Once your submittal has been deemed complete and processed you will receive a request for payment of your plan review fees. Please note, your submittal will not be distributed to applicable County departments and the plan review period will not begin until payment has been received.
