Dear Airport Users,

On January 23, 2018, the Napa County Board of Supervisors (Board) approved a Professional Services Agreement with Vector Airport Systems, LLC (Vector) to assist the County in the collection of its landing and transient parking fees.

Effective March 1st, 2018, Vector will assume the operation, billing, and collection of the Landing and Transient Parking Fee Program (or "Programs") on behalf of the Napa County Airport. Vector will be taking photos of all aircraft operations via motion capture cameras to provide exact data for the Program. Aircraft will be photoed at the time of departure and will be charged according to Sections 30.020 & 30.040 of the County's adopted Fee Policy.

You can access the landing and transient parking fee structure by visiting <https://www.countyofnapa.org/1010/Landing-Parking-Fees>.

Vector's self-service website allows operators to log into their accounts, view and request emailed copies of invoices, process credit card payments, and update contact information.

You can access the self-service webpage by visiting <https://myaccount.vector-us.com> or contact them at 1-888-588-0028.

If you have further questions, please contact Airport Administration Office at (707) 253-4300.
